County Commissioners

GEORGE A. RIDDER, EAST BRIDGEWATER (R)

JOHN J. FRANEY (D)

NORTH ABINGTON

EDWARD P. KIRBY (R)

WHITMAN

1971 State Census - 8,249

TOWN DATA

Norwell is situated in Southeastern Massachusetts, bordered by the Towns of Hanover and Rockland on the west, Pembroke on the south, Marshfield and Scituate on the east and northeast, and Hingham on the north.

The town covers 20.98 square miles and is 22 miles south of Boston and 14 miles east of Brockton. In 1950 the population was 2,515 people, and in 1960 had increased to 5,207 people, an increase of 107%, one of the largest percentage increases in the State of Massachusetts. In 1965 the population was 6,387, which indicates that although slightly down on an annual average the population growth is substantial. Population in 1971 is 8,249.

The town was settled in 1634 and in 1888 adopted its name from Henry Norwell, a prominent summer resident. It has a Town Meeting form of government with a Moderator, Board of Selectmen, Board of Assessors, Planning Board, Town Clerk, Treasurer, and Highway Surveyor.

Three main roads run through the town; Routes 53 (formerly Route 3), Route 123, and the newly-relocated Route 3 (known as the Southeast Expressway). The Plymouth and Brockton Street Railway serves the town with four buses daily, 5 days a week, with service to points north and terminating in the City of Boston.

Public utilities available in the town are: Electric power by The Brockton Edison Company, gas by The Brockton-Taunton Gas Company, telephone service by the New England Telephone Company, and the town has its own water department.

JOHN D. HEWITT

SELECTMEN'S REPORT

The year 1971 set a new high record in the tax bill for every Norwell property owner - a 35 per cent jump!

Norwell's By-Laws state that:

"The Selectmen shall have general direction and management of the property and affairs not otherwise provided for by law and these By-Laws."

We take this opportunity, therefore, to analyze for our citizens some of the causes of this precipitous rise in taxes and to comment on the course which our voters can take to control future excessive increases.

In March, 1971, our voters appropriated at Town Meeting:

- = \$210,000.00 to the Stabilization Fund
- = 30,000.00 for a master drainage study
- = 60,000.00 for dump conversion to land fill.
- = 34,000.00 for reappraisal of our property valuation.

- = 300,000.00 increase in the School Operating Budget

- = 100,000.00 increase in the Police Budget

\$736,000.00 TOTAL

The first four items above were a one-time expenditure. They will not be in next year's budget. The last two items are permanent yearly future costs. This \$736,000.00 represented over \$13.00 of the \$16.00 increase in our tax rate. Other lesser increases in the cost of General Government, Health, Highways, MBTA Assessment, Principal and Interest, etc. accounted for the balance.

The bonding and interest costs for our new High School did not appear on our 1971 tax bill; but will be in our 1972 tax rate. Fortunately, Norwell will receive more State aid than the 40% anticipated on capital payments. The new State School Aid Bill to financially distressed towns in this area, passed through the legislature in the fall of 1971, will reimburse Norwell for 65% of both the capital and interest costs of the new High School. Hence the projected \$12.00 tax rate impact for 1972 from our High School bonding will be reduced by several dollars — the exact amount we will learn from our Capital Budget Committee by Town Meeting time.

Not only will we save considerable money through this increased State Aid but we, fortunately, will be floating our bond issue at a time when the interest

rate has dropped considerably from what it was a year or even six months ago. The interest rate paid by a town varies with that town's individual credit rating — A, AA, AAA or BAA and the duration of the bond issue. A study by the Town of Lexington last year showed three different interest rates charged within a 24-hour period to three different towns on the same size million dollar loan:

TOWN CREDIT RATING	BOND DURATION	INTEREST RATE
A	5 years	4.2%
AAA	10 years	4.5%
A	20 years	6.1%

Norwell's credit rating is only A. How much this credit rating may be effected adversely by our new large bond issue is still to be determined. Certainly one thing we can do to keep interest rates on our bonds as low as possible is to make the future bonding periods as short as possible. Total interest payments on the High School bonds will be almost \$2,000,000.00 less on a ten-year payment basis than on a twenty-year basis. The Selectmen have, therefore, instructed the Treasurer to float these bonds on a ten-year payment basis.

In addition to the tremendous increase which the above factors have caused in our tax rate, we must all realize that as long as we have inflation in our American economy, normal operating costs of every department will continue to increase. This necessitates that we carefully and thoughtfully order our priorities the next few years. The absolutely necessary new projects must come first. Those of less importance should be deferred until our bonded indebtedness decreases sufficiently to entitle Norwell to a higher credit rating with its consequent more favorable interest rates and until our tax base has had the chance to broaden. Norwell is essentially a town of homes and most of our citizens want to keep it that way. Norwell is growing in this respect. Over the past ten years we have issued 70 to 80 home building permits each year. In 1971 we issued over 125 building permits — the largest number in the Town's history. With our excellent water supplies for the present and the future, from all studies, with our fine new school facilities and other advantages, families continue to move into Town. Although the tax base is broadened thereby, most homes with children yield less in tax revenue than they cost the Town.

Your Board of Selectmen is doing its utmost to hold the tax rate as stable as possible. Last spring we called a joint meeting of all the Town's Boards, Officers and Committees to discuss priorities and urge restraint upon all segments of all Town Government in their capital expenditure requests. At this meeting we asked each Committee before requesting any new project to subject it to these questions:

- Would delaying it to later years hurt the Town?
- Does it benefit many or only a limited few?
- Do the benefits justify the cost?

Only if these questions can be answered affirmatively should our committees request additional capital expenditures now and should we cast our votes to "go ahead". Most of the committees at this meeting indicated their willingness to postpone many of their proposed projects until 1974 or later, by which time our citizens would be better adjusted to handle the new High School bonding costs and by which time our tax base would also be somewhat broadened.

All working together we can do much to avoid unnecessarily increasing Norwell's tax burden. Every dollar the Town spends comes from Norwell's taxpayers. During the past year unemployment has become a grim reality in some Norwell homes. For others the current economical recession has meant no pay raises. For all of us, we have found our dollars purchasing less while we await the inflation to ebb. We must unite in our efforts to spend our tax dollars prudently and stem this ever rising tax rate.

All expenditures are not fully within our control. We are living in and must adapt to the modern era of collective bargaining in more and more of our municipal departments. Norwell now has several such bargaining groups:

- = School teachers
- = School principals
- = School maintenance staff
- = School clerical force
- = Police Officers and Sergeants

All of these groups, through their bargaining agent structure, received substantial salary increases in 1971. The Schools are out of the Selectmen's jurisdiction, but the Police are the Selectmen's responsibility. The new Police Contract, because of Phase II complications and restrictions is at the time of printing still in negotiation.

Fortunately your Selectmen were able to help in solving one of the Town's greatest administrative needs — an over-all, full-time superintendent for the Water Department. Such a man will administer, supervise and direct all the activities of the Water Department, leaving the Water Commissioners only the executive function of policy making and project approval. The Selectmen obtained for the Water Department a yearly grant from the Federal Government of \$9,800.00 for 1972 and 1973. This will be paid from the new Federal Emergency Employment Act of 1971. The Town's only cost will be whatever increases the Water Commissioners and the voters decide the new Water Superintendent may deserve. After reviewing the qualifications of five different candidates submitted to them, our Water Commissioners unanimously asked Selectman Charles Bayley if he would take the job. He has resigned from the Board of Selectmen and took over this new position in December.

A united appeal from the Norwell Selectmen, Marshfield Selectmen, State Representative Babb, Senator McKinnon and the Plymouth County Commis-

sioners helped persuade the State Legislature to appropriate money to repair Union Bridge as a fixed-span bridge. Only one barrier remains before completion of this project — the re-opening of this much needed bridge between Norwell and Marshfield. The Coast Guard must be persuaded by means of a public hearing to give their approval for a fixed span. Pembroke and Hanover are fighting actively for a draw bridge or a high-rise bridge. A new high-rise bridge would cost between \$600,000 to \$800,000. Repairing the present bridge as a draw bridge would cost about \$170,000. Repair of the present bridge as a fixed-span bridge would cost only \$10,000. All Norwell residents should watch for notices for this coming Coast Guard Hearing and should attend.

We are happy to report that the Charter Study Committee, which our voters asked the Selectmen to appoint at the last Town Meeting, has done an excellent job. We unanimously approve their recommendations and urge Norwell voters to back their requests at Town Meeting. They are recommending that the Town adopt a charter. The Home Rule Procedure Act of 1966 enables a town to gain far greater freedom in dealing with local affairs by organizing itself under a charter. A town without a charter remains subject to the whims of the State Legislature, whereas a charter bestows constitutional status.

The Emergency Communications Center Study Committee, which the voters also instructed the Selectmen to appoint at our last March Town Meeting, has brought in recommendations which will not only save the Town money but will also improve the telephone service in all areas of our Town Government. Again your Selectmen unanimously urge the full support of Norwell voters for the recommendations being made by this Committee.

At our last Annual Town Meeting Norwell Avenue residents urged rejection of Chapter 90 money for a layout and reconstruction work on Norwell Avenue. Their plea was answered when the voters, by a large majority, voted no Chapter 90 money should be used on Norwell Avenue. Your Selectmen managed to retain the State and County Chapter 90 grants for work on Main Street in 1971. The County Commissioners have warned that any future funds granted must be used on new approved street reconstruction. High Street was suggested by some of that street's residents. The matter was presented to the County Commissioners, approved by them, a rough layout was prepared and a hearing of the abutters was held. About fifty people appeared and voted three to one against accepting Chapter 90 money for reconstruction of High Street. Therefore, Chapter 90 money was lost for the year 1972. The tenor of Norwell voters' wishes appears to be against accepting Chapter 90 money for any layouts on Norwell roads. This means that future work, maintenance, layouts and repairs must be financed in full by the taxpayers of the Town of Norwell and be completed only when funds are appropriated by our Town Meetings. The loss of these State and County funds will result in higher costs to the taxpayers of Norwell for road rebuilding of equal quality.

The MBTA assessment for Norwell last year amounted to \$38,994.32. Over the past several years many towns have filed bills in the State Legislature to get out of the MBTA. All of these bills have been defeated. This year fifteen towns, which are members of the MBTA System without receiving any service, joined together to file a single bill to withdraw from the MBTA. These towns are:

TOWN	ASSESSMENT
Ashland	\$ 50,226.50
Cohasset	35,711.30
Dover	28,442.12
Duxbury	27,581.96
Hanover	53,590.16
Lynnfield	67,355.09
Marshfield	57,484.42
Medfield	42,507.59
Millis	29,242.96
Norwell	38,994.32
Pembroke	48,316.22
Scituate	77,772.83
Sherborn	17,350.52
Topsfield	26,690.75
Peabody	<u>311,894.38</u>
	913,161.12

*Peabody had MBTA bus service but voted to dispense with this effective July 1970.

We hope that this joint action of fifteen towns may prompt the Legislature to finally act on redistribution of costs of its deficit and release these fifteen towns from charges as they receive no service.

As Norwell homes, population and Town Government continue to grow, the Selectmen are increasingly aware of the debt of appreciation owed to those many citizens who serve the community as officials or committee members. Working without pay, they devote hundreds of hours each year to keeping our Town Government operating efficiently and to improving Norwell as a place to live. We urge other voters to volunteer their services for the many appointments which we must make each year to various committees. Norwell needs the help of every interested citizen.

Respectfully submitted,

Board of Selectmen

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors herewith submits its annual report for the year 1971. There are two items of major importance to the townspeople of Norwell that fall within the jurisdiction of the assessing department. These are:

- A. The tax rate increase of \$15.75, from a 1970 rate of \$44.00 to \$59.75 in 1971.
- B. The town vote for a real estate revaluation by outside professional appraisers.

This report will concentrate on these two areas.

A basic fact relative to a town's tax rate is that the voters of the town at the annual and special town meetings determine the amount of money the town will spend in that fiscal year. In addition to the funds voted at town meetings, there are additional expenditures in the form of assessments imposed on the town by the state legislature. For example, the cost of operating the Plymouth County government is borne by the cities and towns within this county. This is a sizable expense. A share of the operating deficit of the M.B.T.A. is charged to Norwell. We also pay our share of the costs for maintaining state parks and beaches in the state that are outside the Metropolitan area; there are eight (8) items of expense assessed to Norwell. In addition the state legislature has granted exemptions or abatements to certain veterans, elderly persons and widows, all of which are reflected in the final tax rate.

The Selectmen are permitted to expend funds under certain emergency conditions and any court judgments against the town must be raised by taxation.

The 1971 tax rate included five special meetings in addition to the annual meeting. Emergency snow removal funds authorized by the Selectmen and an adverse court judgment on a water department land taking. The state assessments against the town were increased by a sizable percentage and, most important of all, the much publicized increased aid to property owners just didn't materialize.

In 1970 it was voted at town meeting to give the assessors \$175,000 from free cash to lower the tax rate. The assessors had no choice in this matter, so the tax rate was lowered by \$3.00. Had this money not been voted, the 1970 tax rate could have been maintained and the \$175,000 of free cash could have been used in some of the special town meetings held later. This one area had a \$6.00 impact on your 1971 tax rate. One other single item of expenditure was the \$210,000 voted into the stabilization fund. This represents about \$4.00 on the tax rate. So it can be seen that these two items had a \$10.00 impact on the tax rate, leaving only about \$6.00 that is attributable to normal increase.

One further point, the tax rate in 1968 was \$44.00, the same as 1970, so that while the 1971 rate of \$59.75 is \$15.75 higher than the 1970 rate, it is also \$15.75 higher than the 1968 rate, reflecting an annual increase of \$5.25 over the 1968 figure. The 1971 tax rate in Norwell is consistent with other towns in the area.

One final word concerning procedure, the Board of Assessors of every city and town in the state are under the direct control of the Department of Corporations and Taxation. The board has no flexibility in setting the tax rate. The Town Clerk submits certified statements of all expenditures voted by the town. The Town Accountant certifies an estimate of income based on the previous year. The difference between these figures is the amount to be raised by taxation. The valuations on personal property and real estate are totalled and divided into the amount to be raised and an estimated tax rate is established by the local board. It is then taken to the Department of Taxation where the Bureau of Local Taxation checks every item. The Bureau of Local Accounts then has its auditors check each item. The Commissioner of the department then notifies the board of assessors in writing of the acceptable tax rate for your community. So you see, the local board really has no freedom of choice in setting a local tax rate.

At the 1971 annual town meeting it was voted to have the taxable real estate in Norwell revaluated by professional appraisers and a sum of \$36,000 was appropriated for this purpose. Since taxes are assessed as of January 1st of each year and the length of time required to revalue a town the size of Norwell is one year, it was apparent that the revaluation figures could not be applied to the 1972 tax rate. A target date of mid-January 1973 was established by the board as the most desirable completion date. The board immediately began consulting with other towns that had recently been revalued. We studied their contracts, discussed in detail the problem areas and profited greatly from their experience.

With the capable assistance of Mr. Turner, the Town Counsel, specifications were drawn up and an invitation for bids was advertised. Six firms submitted bids and three of these were selected as low bidders, Logue Associates of Norwell, Whipple-Magane-Darcy, Inc. of Andover, Mass. and Cole-Layer-Trumble Co., of Dayton, Ohio and Portland, Maine. Interviews were held with personnel of each firm and extensive investigations were made of the last five towns revalued by each firm.

Based on these investigations the board voted unanimously to enter into a contract with Whipple-Magane-Darcy, Inc. to revalue Norwell for the sum of \$33,500. The contract was signed December 31, 1971 with a completion date of January 10, 1973.

Public meetings will be held to acquaint you with the firm's personnel and the procedures to be followed in the revaluation process. We urge you to attend

these meetings and to extend your cooperation so that the town can derive all the benefits possible from this revaluation.

Respectfully submitted,
Board of Assessors

Richard E. Splaine, Chairman
Jean R. Lloyd, Clerk
James F. Staples

REPORT OF THE INSPECTOR OF ANIMALS

To the Board of Selectmen:

As the Inspector of Animals for the Town of Norwell, I have completed my duties for 1971 and report as follows:

Inspected barns and reported same to the State.

Reported to the Division of Livestock Disease Control the census of animals in the Town of Norwell.

Quarantined and released approximately sixty-two dogs.

Respectfully submitted,

Richard E. Cugnasca, D.V.M.
Inspector of Animals

REPORT OF THE BOARD OF APPEALS

A total of 21 matters came before the Board of Appeals for formal public hearings. Of these, 13 were requests for Variances and 8 were for business use permits. The Board granted 9 Variances, denied 2, and 2 are still under consideration. Six business permits were granted, 1 denied, and 1 under consideration.

This Board feels that certain aspects of the Norwell Zoning By-Law, especially in relation to corner lots, are in dire need of clarification.

As can be seen from the number of requests for business permits, this number has decreased from the number requested in the year 1970. Whether this is reflective of the economic times or the need to invite and solicit substantial businesses to our community is debatable.

Respectfully submitted,

Robert M. Broderick, Esq., Chairman
Sanborn Vincent
Kurt E. Sundwall

REPORT OF THE DOG OFFICER

To the Board of Selectmen:

I submit my report as Dog Officer of the Town of Norwell for the year 1971.

Dogs reported missing	236
Dogs returned to owners	170
Dogs injured or killed on highways	44
Complaints	150
Calls on unlicensed dogs	500
Repeat calls	35
Telephone calls to locate lost dogs	486

Under the General Laws, Chapter 140, Section 136A, the license period is between April 1 and the following March 31, both dates inclusive.

SECTION 137 - The owner or keeper of a licensed dog shall cause it to wear around its neck or body a collar or harness or other suitable material to which shall be securely attached a tag in a form prescribed by the town issuing such license and the year of issue.

This will help in returning your dog if lost.

Respectfully submitted,

E. Clarence Joseph
Dog Officer

REPORT OF THE CONSERVATION COMMISSION

During the past year your Conservation Commission has been engaged in a number of projects whereby we have endeavored to protect the natural resources and the water-shed areas of the town. There has been and will continue to be great pressure to relax or change rules and regulations to allow building in unsuitable areas. We have opposed any such changes and we shall continue to voice our opposition to this creeping ecological exploitation.

Through the very generous and thoughtful donation of Mrs. Isabella F. Fogg and Miss Helen L. Fogg, in memory of Horace Tower Fogg and Faulkner Fogg, two parcels of land were deeded to the Town of Norwell, under the control of the Conservation Commission.

The Town is very fortunate in acquiring 40 acres of prime land, for conservation purposes, located in the center of town with frontage on Main Street and on Central Street.

Once again, on behalf of the Townspeople, the Conservation Commission wishes to convey to Mrs. Fogg and to Miss Fogg our very sincere appreciation for their splendid gift.

We would like also to thank Mr. and Mrs. Natale Molla for their thoughtfulness in offering to the Commission two parcels of land at the assessed value. One lot, of 6.67 acres, is in the Wildcat area adjacent to land we already own. The other lot is on the North River in the Kings Landing section and consists of 3 acres.

The Commission has had a number of meetings with concerned citizens regarding the weed choked and foul smelling conditions of Jacobs Lake and Bound Brook Pond. These conditions are common to many ponds in this region and present a complex problem. The town will be faced with serious decisions in trying to remedy these conditions.

We have made some progress in completing the acquisition of Valley Swamp. The survey has been made, which was a very difficult and time consuming project. Once the two appraisals have been submitted to us, which are due shortly, we can proceed more quickly and wrap-up this project.

On February 7, 1972 the Conservation Commission, by State statute, will assume the duty of conducting public hearings under the provisions of the Hatch Act. These hearings were formally held by the Selectmen.

In reference to the Hatch Act, which deals with the protection of inland wetlands, we have submitted to legislative committees a number of recommendations that we feel should strengthen the provisions of this Act.

The Commission wishes to thank Chief Bradeen for providing us with a meeting place since the Annex was demolished.

Starting in February, 1972 the Conservation Commission will meet in the Town Hall Lobby on the first Thursday of each month at 7:30 P.M.

Respectfully submitted,

Joseph P. Paradis, Chairman
Arthur L. Merritt
Katherine E. Cranton
Mildred T. Hastings
George H. Witcher, Jr.
David C. Stewart
Wesley H. Osborne, Jr.

REPORT OF THE RECREATION COMMISSION

Our report is essentially the same as those of past years. Our usual six week summer program, those attending having a fine time. We are continuing our basketball program for boys and have started a similar program for girls this year.

After assurance from the Insurance Agent on accident coverage on Jacob's Pond, we voted to install lights for night skating.

We had some criticism this year for not doing "enough". An Ad Hoc Committee was formed to work with the Commission.

The Commission feels it is their duty to plan, set policy, hire personnel and try to improve the recreation atmosphere in our Town.

We will again be asking for a full time Recreation Director. We will also be asking the Town to purchase a parcel of land for future recreation facilities.

Respectfully submitted,

Robert G. MacWilliams, Chairman

COUNCIL ON AGING

In accordance with Chapter 242 of the G.L. of Mass., the Norwell Council On Aging submits the following report of its activities and programs for the year 1971.

The "Hot Lunch" program under the supervision of Mrs. Ruth Horgan, has continued this year and is popular with the Seniors. They have made many new friends over the past year. The Shopping Bus provided after the lunch is now on a twice a month basis, while school is in session.

The "Recreation program" as usual, is always well attended. On each trip one or more members on the Council accompany the group. The Council plan the place where they will lunch and makes all trip arrangements.

The Council introduced an article at the 1971 Town Meeting to establish a Housing Authority for the elderly. The Council was pleased that the Town voted for this much needed authority.

We wish to extend our thanks to the following clubs who so generously donated to the Seniors, thus expanding their programs. The Woman's Club of Norwell, the Barque Hill Association, the Norwell Jaycees, and Mrs. Sandy Wright of Garden Craft. The Girl Scouts, Cub Scouts, and the Norwell Grange also have given assistance to the Council for our Senior Citizens.

Respectfully submitted,

Mary Jane Petze, Chairman
Gladys Wilder
Dorothy Dickson
Marion Bayley
Robert G. MacWilliams

REPORT OF THE GOLF COURSE COMMITTEE

The Golf Course Committee has met on the first and third Mondays of the month throughout most of the year.

We feel that progress has been made in several areas. The first was the selection of Philip Wogan as architect. The committee visited several courses that were built or in the process of being built and the architect selection was made on the results that we saw.

Mr. Wogan has submitted a plan of holes which was accepted by the committee. This plan will be posted at several public places so that voters may inspect the proposed golf course layout before the Annual Town Meeting.

A contour map was made of the area in order that the architect and contractors could design and build with better knowledge of the topography of the land.

The committee also erected signs along Route No. 3 so the voters will know the exact location of the site. We also selected the name of "Stetson Meadows" for the golf course. This name was chosen for identity of the town and acknowledge the town founders.

We feel that the town has made a wise decision as to the land purchase. This greenbelt will be a source of civic pride for Norwell citizens.

All interested parties that were interviewed by the committee agreed that a golf course would be the optimum use for this land. And Norwell has distinguished itself as a leader in the resistance to commercial pressure to develop every foot of land.

I would like to thank the members of this committee for their tireless efforts in the interests of a public golf course for the citizens of Norwell.

Sincerely,

Leo J. Foley, Chairman
Richard A. Gaudette
James T. King
Wesley H. Osborne, Jr.
Orville E. Devine

REPORT OF THE BOARD OF HEALTH

The Board has been too busy this year to spend the time writing a long report.

The Town appears to be reasonably healthy, the Sanitary Landfill is using enormous amounts of gravel, and "Big Kay" (our new Tractorvater with a 4-Way Bucket) threw a clutch but is now back smashing trash and performing other allied tricks.

Respectfully submitted,

Katherine R. Fuller, Chairman
Arthur J. Garceau, Secretary
Edward P. Baker, Jr., M.D.

1971 ANNUAL REPORT OF THE TOWN CHARTER STUDY COMMITTEE

This Committee was voted at the 1970 Annual Town Meeting to study the problem of drafting a charter for the Town of Norwell. After over a years study we agreed that Norwell should have a charter and we are now taking the necessary steps to have one adopted. Here's why:

1. It will give us the opportunity to review our Town's governmental structure and provide one comprehensive document.
2. Once a basic charter is accepted by the Town it can be revised or amended through action of the Town instead of appealing to the State Legislature. This new procedure has been made possible through the passage of the Home Rule Amendment to the State Constitution in 1966.

We are *not* recommending that changes be made in our Town's government at this time. We do believe a basic charter should be adopted and that an on-going study committee should be formed to consider changes in the Charter when and if changes become appropriate.

Here is the procedure to establish a charter:

1. A petition has been circulated and signatures were obtained of at least 15% of Norwell's voters. The question of whether Norwell wishes to establish a Charter Commission and the election of the nine member Commission will be on the ballot in the March, 1972, election.
2. If the Town votes "yes" for a Charter Commission its newly elected members have eight months to prepare a preliminary report. Public hearings will be held and the final proposed charter will be sent to every home.
3. At the annual election in March, 1973, the Town will vote on whether to accept the proposed Charter.

Town Charter Study Committee

Gilbert Cummings, Chairman
Reginald Savage, Vice-Chairman
Gerald Quimby, Clerk
Marshall Bailey, Jr.
Carl Morris
John Packard
Joseph Paradis

REPORT OF THE PERSONNEL BOARD

At the last Annual Town Meeting, the Town voted to amend it's By-Laws by accepting Article 67 in the Warrant, thereby adding Article XX to the Town's By-laws, titled Norwell Personnel Plan.

During the past year the Personnel Boards major effort has been the preparation of a Compensation Schedule for the employees of the Town. An appropriate by-law amendment will be proposed at the Annual Town Meeting so that the preparation of a current compensation schedule will be an annual requirement so that a current schedule will be available each year for use in the preparation of budgets.

In making wage/salary increase recommendations for the forthcoming year, the Board has considered Article 65 of the 1971 Annual Town Meeting, listed as Instructions to Town Officers, an excerpt of which, quote "voted that the Selectman urge all committees who negotiate salaries to be paid from Town funds to keep non-merit salary increases to a rate below the annual cost of living increase as established by the Department of Labor Statistics". In the intent and spirit of the above instruction, the Personnel Board is recommending a maximum of 5% increase to wage/salary Budgets of Town Departments. This rate increase is compatible with our Country's effort to stem inflation and give life to the National Economy through the Federal Wage Guidelines of Phase II under the Economic Stabilization Program.

Norwell Personnel Board

Nicholas J. Pizzella, Chairman
Frederick H. St. Ours
Allan K. Hamer
Francis J. Nagle
Geoffrey G. Jackson

REPORT OF THE HIGHWAY SURVEYOR

I hereby submit my annual report of the activities of the Highway Department for the year 1971.

The first part of the year, snow season, we were kept busy salting, sanding, plowing, and trying to keep the ice from building up around the catch basins. We also replenished the stock pile of sand which was depleted during the end of December 1970. A large pile is needed because of the frozen lumps, and also, the long weekend storms take up a lot of sand for the continuous flurries we seemed to get.

During this time we were doing the routine preventative maintenance work of patching pot holes, replacement of damaged cement post guard rails, and street signs, and picking up roadside litter.

In March and part of April the Highway Department cleared the land for sanitary landfill at the Town Dump. We also chipped all the brush and helped convert the old dump into a sanitary landfill operation to meet the rules and regulations of the state.

The regular highway work of crack filling, hot top, sealing, and mix and place work was carried on all during the good summer months and into late fall.

On Main Street from the Scituate line to Norwell Center we grouted, cleaned and filled all the cracks with hot pour rubberized joint fill. It was also coated with slurry seal, which was one of the first jobs in the state to meet state approval. Payment was made under the Chapter 90 money. Then we adjusted all catch basins and man holes for hot mix top.

As in the past all material and equipment was put out to bid, and the bids are on file in the town accountants office.

I will list just a few of the items used this year by the Highway Department.

Road salt 3344.66 tons, road sand 4045 cu. yards (for winter sanding and summer maintenance surface sealing), 600 cu. yards of road gravel, crusher run 224.95 ton, 500 cu. yards of fill, 600 cu. yards of loam, 1720 cu. yards of mix in place material, 5525.95 tons of bituminous hot top Type I in place, 300 ton Cape Cod berms, 34,361 gallons of oil for surface treatment, 25,033 linear feet of crack fill, 33,742 square yards of slurry seal surface, 332.95 tons materials for patching (including hot and cold patch), 393 gallons of traffic paints, 1810 lbs. reflector beads, 27 metal and 4 rubber snow plow blades, 113 speed zone signs, and 59 miscellaneous signs including new and replacements, 25 street signs, 150 cu.yards of road side litter pick-up, 2000 cu. yards road side shoulder materials cut and stock-piled.

We also put in 30 cement guard rail posts, installed approximately three miles of open trenches for proper drainage, and did road side mowing of approximately 62 miles of street.

We have been busy this year working on speed zoning of the Norwell streets. Most all of the approved signs are up and those few remaining to be done will be up by early spring.

As you all know we are all becoming more aware of conservation and ecology and this awareness has boosted the cost of oil 7 cents a gallon, plus all

the related products and by-products were rather costly and the money only goes so far.

The layout of part of the bad curve on Winter Street was cleared of trees and roughed out. The deep fill has been left to settle before the surface will be put on.

I would like to say thank you for your support at the spring town meeting for the used street sweeper. It has been a very good purchase and a much needed piece of equipment for safety and economy's sake. We have swept every street in town once, and some have been done before and after surface sealing, all which would not have been possible without your support. We also used the sand we picked up as cover material at the dump.

The slurry seal approval on Main and Pond Streets, by Chapter 90 looks like the end of Chapter 90 reconstructions in Norwell. Under Chapter 90 the state pays 75 cents on the dollar, the county 12 1/2 cents on the dollar, and the Town of Norwell 12 1/2 cents on the dollar. The state also does all the engineering and setting all lines and grades. We do have roads in Norwell that need to be reconstructed, but the layouts have not been assistance. I am very sorry to see the advantages of financial and engineering assistance lost to us because of this.

I would like to say that we are most grateful for the assistance of the Department of Public Works at the Middleboro District 7 office. Without their help and cooperation such projects as Chapter 81 maintenance of all Norwell roads, Chapter 90 reconstruction, paving and slurry seal of Main Street No. 123 and Pond Street No. 228 would not have been possible. We have also had their assistance in painting lines on these two numbered routes, and in setting up speed zones.

In closing I wish to express my sincere thanks for the cooperation of all the town officers, town committees and departments, the utility companies and the citizens of Norwell with whom I have had the pleasure of working this past year.

Respectfully submitted,

E. Arnold Joseph
Highway Surveyor

ANNUAL REPORT OF THE PLANNING BOARD

To the Citizens of Norwell:

1971 was a very busy year for the Planning Board. Although only 8 new sub-divisions were begun, all of 4 lots or less, the Board was supervising a record high of 34 active sub-divisions begun in previous years. The new ones were as follows:

London Hill
Harry L. Chase Plan
East Ridge (Zeta's plan on Cross St.)
Tobias Plan on Parker St.
Whitaker Plan on Central St.
Dutton Plan on Main St.
Coon's Plan on Stetson Shrine Lane

Two previously active sub-divisions brought in second parts which were extensive; North River Estates, Sec.II, and Wildcat Lane, Sec. II. The Planning Board, with the assistance of E. Arnold Joseph, Work Supervisor, is in charge of being sure that all sub-divisions are planned and constructed according to the Rules and Regulations of the Town of Norwell, through chapter 41 of the State Sub-division Control Law.

This year the Board initiated the Saturday morning inspection tour where, on the first Saturday after the first meeting of each month, the Board walks those active sub-divisions or other lands the Board deems necessary. All other Town officials and interested parties are invited to attend.

The Board has done extensive work revising the Rules and Regulations of the Planning Board, two hearings have been held, other Boards and past members of the Planning Board have been consulted, and the Board is now ready to adopt a revised set of Rules and Regulations.

An official map of the Town showing all public ways in Norwell is ready for the acceptance of the Town and will appear on the warrant for the next Town Meeting. This has been a project of the Planning Board, working with Town Counsel.

In March the Board reorganized as follows:

Philip Joseph, Chairman
Roy R. Richardson, Vice-chairman
Robert R. Reed, Clerk
William Bernardi, Boards Rep. to the Conservation Comm.
Wilbur L. Garside, Jr., Boards Rep.
to the Capital Budget Comm.

The tearing down of the Town Hall Annex for parking area necessitated relocation of the Planning Board meeting room. The Board met in the basement of the new Police Station on River Street for the remainder of the year, but as this was not satisfactory, the Board will meet in the Town Hall Lobby in 1972. Meetings are the first, third, and fifth Monday nights of the month, and appointments should be made with the secretary. The other two Monday nights are usually reserved for informal meetings for the purpose of long range planning and projects.

The Planning Board also reviews plans for house lots on established ways which do not come under the rules and regulations of the sub-division control law, but which must be endorsed by the Planning Board if they meet zoning requirements. During 1971, 41 of these were endorsed.

The Planning Board intends to work next year on:

1. Flood Plain Zoning
2. Zoning By-Laws
3. Official Map

Respectfully submitted:

The Norwell Planning Board

REPORT OF THE NORWELL VISITING NURSE ASSOCIATION

The Norwell Visiting Nurse Association has continued to offer its services to the Town in spite of rising costs. The Well Child Clinic with Dr. Mary Butterworth as physician is held at the United Church of Christ Congregational; our hospital equipment has been augmented; two substantial Nursing Scholarships are offered; and our Visiting Nurse, Miss Roe, calls on all townspeople in need of her services.

Mrs. Howard Power responded generously to our appeal for a place to store our hospital equipment, and all beds, crutches, walkers, etc. were moved to her barn.

The Board members of the Association would like to thank our many friends who have supported us with their time, money and energy. We need all of you to make our program a success.

Respectfully submitted,

Winifred P. Rounds

REPORT OF THE REPRESENTATIVE OF THE METROPOLITAN AREA PLANNING COUNCIL (MAPC)

The purpose and philosophy of the MAPC is best described by a quotation from the 1971 Annual Report.

"One hundred cities and towns in the Boston Metropolitan Area no longer need travel 100 routes to reach the same destination. Regionalism — cooperation and coordination among cities and towns of a regional community — is the key to a future of progress.

Those communities are partners in progress with the Metropolitan Area Planning Council. In 1971 the Council is equipped and willing to provide the coordination and planning necessary to insure that future."

To achieve the cooperation and coordination among the cities and towns of the Area, the law requires the MAPC to review and comment upon applications for Federal Aid by member communities, public agencies, and certain private agencies. This review function has become one of the Council's chief duties. Federal and State funding is used for the purchase of open space land, city parks development, basic sewer and water facilities, sewage treatment works, highway development, community health centers, and others.

In addition to the review activities during 1971, MAPC has also been active in various fields of regional planning, specifically in its publication of a report on Regional Water Supply Systems for the Boston Metropolitan Area which was issued in April of 1971, a position paper on transportation opposing the extension of the facilities at Logan Airport, and Treatment Plant Development Guidelines. These publications have been added to the growing list covering such subjects as recreation, population study, sewer facilities and housing programs which have been published by the MAPC, and which are available for a loan to any Town Official, by its Representative on the Council.

Of special interest, at the July 8, 1971 meeting of the Council, Governor Francis W. Sargent presented his historic Transportation Policy Statement calling for the halt of further expansion of Logan Airport and the exploration of other means of transportation. The MAPC backed the Governor's position as being consistent with their past position, and approved a resolution to that effect. Mass transportation is a matter of continuing concern to the Commonwealth and the Region, and of particular concern to Norwell's Representative who is a member of the MAPC Technical Advisory Committee on Transportation.

The completion this year of the transition of the MAPC from a State Agency to an autonomous regional entity has brought with it not only a more

responsive organization to the communities which it serves, but also an increase in activity in local, State, and Federal programs. It has, therefore, been important to maintain close liaison with the Board of Selectmen and other Boards of the Town, in order to keep them abreast of new developments and planning by the MAPC and other State and Federal Agencies. There can be no question that Regional Planning is in Norwell's future and is going to provide solutions to some of the problems in the years ahead. The MAPC stands ready to "provide the coordination and planning necessary to insure that future".

Respectfully submitted,

Richard K. McMullan, Representative
Metropolitan Area Planning Council.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Weighing and measuring laws have been strictly enforced throughout the year.

Inspections have been made on all scales, oil trucks, gas pumps and any other measuring devices.

The buying public should at all times observe weighing and measuring devices while purchasing and report any violations to me.

Following is an account of work performed by me and an account of fees collected:

Weighing and Measuring Devices Sealed	86
Weighing and Measuring Devices Adjusted	2
Sealing Fees Returned to Town Treasurer	158.55
Reweighing	
	Reweighing
Total Tested	367
Total Correct	322
Total Incorrect	6
Total Overweight	39

Reweighing of food put up for sale and retesting of gas pumps and oil trucks has been made on many occasions.

Respectfully submitted,

John D. Dickman
Sealer of Weights and Measures

NORWELL HOUSING AUTHORITY ANNUAL REPORT

The 1971 Annual Town Meeting approved the creation of the Norwell Housing Authority – for the purpose of building housing units for the elderly.

Papers for incorporation were submitted to the State in July 1971 and as of the year's end the Housing Authority was officially in business.

During the Fall months the members of the Authority started a search for buildable land for a housing development for the elderly. The State has suggested forty-four units at this time with approximately six acres of land.

A definite site is being considered as of the end of 1971. It is the intention of the Authority to build adequate, and attractive housing units – to be occupied before the end of 1973.

Respectfully submitted,

Mary Jane Petze – Chairman
Robert G. Mac Williams – Vice Chairman
Loring Jacobs – Treasurer
Dorothy Dickson – Asst. Secretary
Charles S. Morgan – Secretary

ANNUAL REPORT – LIBRARY SITE AND STUDY COMMITTEES

Following the 1971 Town Meeting, the Library Site and Library Study Committees voted to hold joint meetings in a concentrated effort to locate a suitable site for a new library.

While no possible site was ruled out, high priority was given to town-owned land and areas which would best serve the majority of our residents.

To this end, the Committees met throughout the summer and fall with a number of town committees and officials who were most cooperative and helpful.

We are confident that, as a result, voters at the 1972 Town Meeting will be given the opportunity to resolve one of the Town's greatest needs – adequate library facilities designed to serve all residents of Norwell.

Sally I. Turner
Chairman Library Site Committee

Bruce H. Garfield
Chairman Library Study Committee

REPORT OF THE LEONARD MEMORIAL LIBRARY

During 1971 the Leonard Library has continued to serve its patrons with exceptionally fine service. An increase of 314 registered readers now brings our total to 2066. The annual book circulation was 25,787, an increase of 2,032 891 new volumes have been added to our already excellent collection.

The pre-school story hour, complete with accompanying film strips to many of the books, is enthusiastically attended each week. For the school age youngsters the "Friend's" held an art show in conjunction with the schools which was enjoyed by all. We thank all of the children who made it a success.

Stetson Hall and Norwell Knoll Nursing Homes have both expressed sincere thanks for the services rendered to them.

The Eastern Massachusetts Regional Bookmobile now accounts for approximately 300 volumes each month.

We would like to thank Chief Merritt and the men of Combination No. 2 of the Fire Department for their cooperation and consideration during the year.

In conclusion we would like to express our gratitude to our Librarian Mrs. Frances Wilkie, her assistant Mrs. Ellen Wilder and to our part time librarians Mrs. Ruth Rowan and Mrs. Patty Merritt, without whose dedication the Leonard Library could not function. It is a genuine pleasure to be associated with such a devoted staff.

Respectfully submitted,

Claire E. Foulsham
Elizabeth M. Anderson
Betty S. Reardon

Trustees

REPORT OF THE JAMES LIBRARY

1972 marks the 100th anniversary of the building of the James Library, and so we are starting our second century of service to the reading public of Norwell.

During 1971 we continued to receive the rotating book deposit from the Bookmobile Service of the Eastern Massachusetts Regional Library System, and of these books we circulated an average of 300 a month in the Adult Section and

an average of 120 a month in the Children's Section. We have also continued to receive a similarly rotating record collection from the Bookmobile. Combined with our own record collection, we circulated 112 adult records and 291 children's. In the Children's Section, this figure is almost three times what it was in 1970. Records are popular!

Circulation for 1971, both from the Library's own collection and from Eastern Regional, totaled 16,479 volumes in the Adult Section and 9,410 in the Children's Section, for a total of 25,889 in 1971, as compared to 26,729 in 1970.

Soon to be added is an outdoor book deposit box to enable readers to return their books during times when the Library is closed.

In addition to our two regular librarians, Mrs. Helen Roubound and Mrs. Connie Sayrs, without whose competence and devotion the James Library could not function, we also now have 4 part-time librarians, Mrs. Darlene Beauvais, Mrs. Miriam Lincoln, Mrs. Mary Sands and Mrs. Mil White. Our custodian is Mr. George Alexander, who takes care of the maintenance and general neatness of our physical plant. To all we give our thanks.

Respectfully submitted,

Trustees of the James Library

William C. Bennett, Chairman
Mildred Hastings, Treasurer
Barbara Hickey
Harriet L. Meyer, Secretary
Elvoid Mayers

REPORT OF THE PERMANENT DRAINAGE COMMITTEE

During 1971 the Permanent Drainage Committee has reviewed a number of plans for proposed subdivisions and made recommendations to the Planning Board regarding them. In general, there has been a joint effort of members of the Planning Board and the Permanent Drainage Committee to work together, and it is a pleasure to report that the two organizations are working more closely together now than ever before.

Plans have been prepared and work will begin in the spring to correct a serious drainage problem on Tiffany Road. It is hoped that the actual construction of this project can be handled by the Highway Department. Plans are now being prepared for correction of surface water problems at Grove Street and Bay Path as well as at Green Street and Pine Street. It is expected that these plans will be implemented during 1972.

At long last a Master Drainage Plan has been started and is scheduled to be completed by our consultants, Camp Dresser & McKee, late in the summer of 1972. It is expected that this report will enable the Permanent Drainage Committee to plan more effectively in the future as well as assign priorities to the numerous drainage problems in town. In addition, it is hoped that parts of this report will be helpful to the Planning Board and possibly to several other divisions of the town government.

Respectfully submitted,

Robert Esterberg, Chairman
William C. Bennett
Chester Horte
Charles Morgan
Richard K. McMullan

Permanent Drainage Committee

REPORT OF THE TOWN COUNSEL

In 1971, some of the major projects completed by Town Counsel included:

- (1) The acquisition of land situated on the North River and off Stetson Shrine Lane, to be used for a future municipal golf course.
- (2) The purchase of several parcels of land for the Conservation Commission.
- (3) The successful presentation of a case before the Supreme Judicial Court involving medical and disability benefits due an injured policeman.
- (4) Work on various documents, agreements and votes concerning the construction of the new Senior High School Building.
- (5) The trial of two cases involving the Zoning By-Law in the Town.
- (6) The preparation of many opinions, including a memo concerning open meetings and for the maintenance of accurate records.
- (7) The settlement of a land damage case which involved property acquired for purposes of public water supply.
- (8) Correspondence with appropriate State and Federal Officials concerning the status of the Union Street Bridge.

(9) The settlement of a claim against the Board of Water Commissioners by a contractor who installed water mains for the Board of Water Commissioners in two public ways in the Town.

(10) The preparation of Warrant Articles and Motions for the Annual and two Special Town Meetings.

The Town Counsel maintained regular office hours at the Town Hall throughout the year on Monday afternoons and evenings and, in addition, met with various committees and boards at other times at their request.

Town Counsel is grateful for the opportunity to serve the Town during 1971.

Respectfully submitted,

David Lee Turner
Town Counsel

REPORT OF THE DEVELOPMENT AND INDUSTRIAL COMMISSION 1972

During the 1971 year, the committee accepted the resignations of Frederick A. Truelove, D. Frank Mederos and Richard A. Gaudette. Appointed to fill these positions were Charles R. Nichols, Gerald R. Hathorne and Raymond J. D'Onofrio.

The two major industrial areas in Norwell are privately developed and owned - in view of this the commission is actively maintaining communications with the principals to assure the town of an orderly and attractive development. Norwell is on the geographic fringe of commercial development and is feeling the first sustained interest in the available industrial areas; over one-half the available land in the Accord Pond Industrial zone is under agreement. On the southerly side of Route 3 the Avedis Zildjian Co., Inc. is completing its plant and we are fortunate to have a company which is internationally famed within our boundaries. The Industrial Committee has become increasingly concerned with the zoning by-laws which affect the commercial and industrial areas and is reviewing them in detail to tighten requirements in regard to minimum size, type of business, greenbelts and buffer zones, and general protection of bordering residential properties. As individuals we are reluctant to attract commercial development until the town is prepared to protect itself against a possible abuse of its residents and land.

Also, during 1971 the Committee has been preparing:

A definitive listing of the required steps before the town authorities required by a new business

A complete listing of commercial enterprises in Norwell

A brochure with the assistance of Plymouth County on the attractions for residing and working in the Norwell area.

The Committee has attempted to communicate with other boards (specifically Conservation Committee and Planning Board) and the Norwell Chamber of Commerce to assure an overall path of progress in what will be the future critical years of Norwell's development directly before us.

Respectfully submitted,

Carlton Alan Chambers, Chairman
Loring H. Jacobs
Raymond D'Onofrio
Charles Nichols
Gerald Hathorne

REPORT OF THE EMERGENCY COMMUNICATIONS CENTER

During the year ending December 31, 1971, the Emergency Communications Center processed a total of 43,975 calls as follows:

Police	19,600
Fire	6,908
Town (Highway, Tree & Water Depts.)	6,757
Miscellaneous	9,810

Included in the miscellaneous calls were 737 "no school" calls, and 242 calls regarding power failures.

Although the Police Department moved to its new facility at the end of May, the Communications Center continues to take many of its calls and provides a line for Out-going calls.

The Center also takes calls for the Visiting Nurse Association and directs Red Cross inquiries.

An extension of the Water Department telephone is installed in Communications Center to take their calls over the weekend and when there is no one at the Water Department office.

As the work of the Highway, Tree, and Water Departments grows with the Town, so do their calls. During severe weather conditions telephone and radio messages are many and frequent.

135 Trips by the Town ambulance were arranged through the Communications Center. All of these runs were manned by Firemen.

We continue to hear from residents of Norwell, of the feeling of security derived from knowing that there is always someone available at the Emergency Communications Center to help if a problem arises or an emergency occurs.

EMERGENCY COMMUNICATIONS CENTER BOARD

W. Clarke Atwater, C.D. Director
Kenneth J. Bradeen, Police Chief
Warren P. Merritt, Fire Chief

POLICE DEPARTMENT

Board of Selectmen
Town Hall
Norwell, Mass.

Gentlemen:

Thank you for your continued support and cooperation.

It is difficult to make a report that has any real meaning in a few paragraphs. For a more comprehensive explanation of our activities, we urge citizens to visit our new facilities and discuss matters of concern.

In these times of social conflict, Police/Community relations deserve special emphasis. It is vital that we understand each others problems, authority and limitations. Being cognizant of our responsibilities in this area, we have been happy to participate in group discussions and supply speakers to clubs and meetings. Presently we are in the process of developing a liason committee of young people to better understand their special interests.

During this past year, to better serve the town, we increased our permanent force from 12 to 19 men. This gives us 24 hour coverage on the desk and additional men during the most active hours.

I would like to compliment my men for their professionalism. The older men for their patience and guidance; the newer men for their dedication and willingness to learn a very difficult job. Most of our people are taking advanced courses in Law Enforcement and Social Studies. Needless to say, I am proud of them.

For comparative purposes I have included in a partial list of our activities the figures for 1970 and 1971.

	1970	1971		1970	1971
Arrests	707	750	M.V. Violations	832	901
Narcotic cases	28	68	Vandalism	100	137
Court Complaints	904	1147	Ambulance Runs	146	198
Drunkness	23	52	Auto Accidents	252	248
Forgery	17	22	Missing Persons	44	28
Family Trouble	38	65	Prowler	36	34
Warrants	85	108	Emergency Messages	77	137

Sincerely,

Kenneth J. Bradeen
Chief of Police

REPORT OF THE INSURANCE ADVISORY COMMITTEE

The Insurance Advisory Committee meetings were held in the Town office every Tuesday night at 7:30 p.m.

The duties of this Committee consist of analyzing and evaluating the insurance exposures of the Town and advising the Selectmen on the most advantageous methods of treating them for the purpose of preserving the assets of the Town. To this end we met with various department and committee heads to establish the areas of exposure.

This work is still in progress and it is only through the full cooperation of these departments and committees that we can gain the full information necessary for the establishment of a philosophy of insurance beneficial to the Town.

Our study so far has disclosed the need for an appraisal of the Town buildings by a competent appraiser. The Selectmen are in agreement on this need and are requesting the funds necessary to implement the program.

At the present time we have the broker working with various companies on quotations for an overall insurance program that will be beneficial to the Town.

We thank the members of the various departments who have cooperated with this Committee and request their continued cooperation in the future by working with us on all matters pertaining to insurance.

Hugh K. Paton, Chairman
John M. Benting, Jr.
Paul E. Paradise

REPORT OF THE FIRE DEPARTMENT

The Board of Fire Engineers submits the following report of the activities of the Fire Department for the year ending December 31, 1971.

The following calls were processed through the Emergency Communications Center:

Buildings	49
Grass & Woods	49
Dump	11
Motor Vehicles	30
Resuscitator	28
Investigations	74
Accidents	12
Mutual Aid Given	7
Mutual Aid Received	10
Fire Permits	1,515
False Alarms	10
Gas Leaks	1
Cellars Pumped	16
Downed Wires	18
Standby for Power Failures	3
Lock-outs	1
Bomb Scares	2
Water Breaks	1
Broken sign	1
Duck released from ice	1
Ambulance runs	135
Miscellaneous calls	5,070

Two Red Cross First Aid courses, one for firemen, and one for Girl Scouts, were conducted by Chief Merritt and Firefighter Arthur Sewell.

Three Scott Air Pacs were added to Fire Department equipment during the year, and the Town's first Ladder Truck was delivered at the end of the year. After suitable painting and lettering, the Ladder truck will soon be in service.

Captain Herbert Fulton of Company No. 1, and Lt. William Gilmour of Company No. 3 attended a course in Cardiac Resuscitation at the South Shore Hospital.

The Board of Fire Engineers has presented an Article for the Annual Town Meeting for the acquisition of land adjacent to the Church Hill Fire Station and owned by the Church Hill Cemetery Committee. This will provide ample room for a new Fire Station to be built in the future.

We are again requesting three full time firemen to operate during the day-time hours when the call men are working at their regular jobs out of the Town area.

We wish to take this opportunity to thank the residents of the Town for their cooperation in complying with the "no burning" regulations set forth in the interests of combatting air pollution.

We would also like to request at this time, that any resident having an outside alarm for a fire detection system, please advise a near neighbor, and the Fire Department, of same. This will greatly cut down on the risk of severe and costly damage in the event of a fire.

Respectfully submitted,

BOARD OF FIRE ENGINEERS

Warren P. Merritt, Chief
Loring L. Wadsworth, Deputy
James T. King, Clerk
Orville E. Devine
T. Curtis Power
John J. Winske

REPORT OF THE BOARD OF WATER COMMISSIONERS

To the Board of Selectmen:

We are pleased to submit the following for the 1971 Annual Town Report:

Weekly meetings were held during the year on Thursday evenings at our South Street office.

1971 Major Projects:

The water main on Summer Street was completed.

The water main on Stetson Road was extended to the Southeast Expressway.

Short lengths of mains were installed by developers at no cost to the Town.

Construction was started on the new South Street pumping station. It is scheduled for completion on or before May 1, 1972.

The Board is pleased to announce that Mr. Charles W. Bayley, Jr., a former Selectmen, was appointed Superintendent of the Norwell Water Department. The new Superintendent's salary for the next two years is not a Town expense, but is funded from a special Federal grant.

Water Pumped	1966	1967	1968	1969	1970	1971
Millions of Gal.	138	137	147	173	199	233

Respectfully submitted,

Augustin J. Thibodeau, Chairman
Jacob Lee Turner
Edward F. Walsh

THE 1971 REPORT OF THE VETERANS' AGENT AND SERVICE OFFICER

What constitutes a veteran in need? This is the question which has been asked numerous times. According to the General Laws of Massachusetts, Chapter 115, we must aid a veteran and/or his family when no other sources are available to them. All monies in savings accounts, stocks, bonds, etc., must have been exhausted before aid can be given. It may be that the veteran has had a temporary set-back because of unemployment, sickness, or some other emergency, or that due to a lasting illness he can no longer provide for his family. Then veterans benefits may be requested.

The office of Veterans' Services also provided to veterans of the Town of Norwell, and their dependents, information, advice, and assistance to enable them to gain the advantages to which they may be entitled, relative to employment, vocational, educational, or any other benefits provided by the Veteran's Administration.

My thanks to everyone who helped this department in any manner this past year.

Dorothy M. Dickson,

Veterans' Agent

REPORT OF THE CAPITAL BUDGET COMMITTEE

During 1971, the Capital Budget Committee continued to interview the Town Officials responsible for the larger capital expenditures and obtained, where possible, five-year projections (1972 through 1976). We also updated the ten-year (1961 through 1970) financial history of the Town which we had compiled in 1970.

The total estimated dollar cost of all the capital projects and equipment which have been presented to this Committee as necessary during the five-year period is \$4,140,000. This does not include the new High School which has been approved and which will be bonded at about \$7,200,000. Neither does it include any outlay for an addition to the Town Hall, which we were informed has been postponed, nor any outlay for additional drainage projects in the Town which may be indicated by the study currently in process.

Shown below is a summary of the tax rate impact of the costs of the capital equipment and projects for which the Town might have to pay during the five-year planning period if all requests are granted. This does not mean that the tax rate will increase each year by the estimated amounts; it means only that this Committee has determined to the best of its ability that the amounts shown will represent the capital portion of whatever our total tax rate may be for those years. For example, if our tax rate for 1972 is the same as it was for 1971 (approximately \$60), capital outlay costs will contribute \$9.29 to that total.

The summary is divided into three sections. Section One shows the impact of all presently outstanding bond issues plus the anticipated impact of the bonding of the new High School and the bonding of the purchase of the golf course land. Both are projects to which the Town is committed. Section Two indicates the impact of capital projects which are almost routine, and likely to be voted at Town Meetings, such as replacement of automobiles and trucks, annual water main extensions, street resurfacing and similar things. Section Three lists the impact of projects which seem more likely to be questioned and their need, feasibility or advisability debated at Town Meetings.

We wish to emphasize that these are capital cost figures only; operating budgets are in no way included. Each taxpayer, and each person responsible for operating budgets, should remember that operating costs have traditionally represented in excess of 75 per cent of our tax rate. Control of these costs is imperative if we are to slow the swiftly spiraling tax rate and avoid an intolerable tax burden within a very few years.

Capital Budget Committee

REPORT OF THE TREE WARDEN AND SUPERINTENDENT OF PUBLIC GROUNDS

To the Citizens of the Town of Norwell:

The functions of these departments can be divided into the following categories:

1. Care and planting of all roadside or public shade trees.
2. Care of all public grounds including the school grounds and athletic fields.
3. Suppression of tree feeding insect pests.

These are rather large areas of responsibility and it must be remembered that economic and natural conditions regulate the amount of effective work that can be done in these departments.

Briefly, the care of roadside trees includes the removal of dead, dying and diseased trees. This work is necessary to protect the traveling public and to maintain the esthetic character of our Town. Some of the reasons that we are losing many of the shade trees, particularly maples and elms, are tree disease, highway construction, salt damage, air pollution, and other uncontrollable environmental conditions. There has been so much removal work necessary in the last few years that our shade tree planting program has been restricted because of lack of appropriations. Removal must take priority over planting for safety reasons.

The larger portion of the care of Public Grounds is, of course, the schools. However, it also includes the Washington Street Cemetery, which is done under the direction of the Cemetery Committee, the Town Hall, Fire Station, Police Station, all the squares and triangles, and limited roadside mowing. This work consists mainly of mowing, raking, fertilizing and general turf maintenance. Marking fields for athletic events is also a time-consuming part of this work. Our athletic areas are very limited at present, but the large areas that will accompany the new High School should remedy this situation. To maintain these new areas properly so as to realize their full potential use and protect our investment, it will take modern equipment, good management practices and sufficient funds.

Control of insect pests is a problem which has faced us in the past and will continue to do so in the future. The use of pesticides is a highly controversial subject, but let me assure you that at present any satisfactory control of large numbers of insect pests will require the use of chemicals. It has been my policy to use these chemicals only when necessary, which is when trees will be completely defoliated or there is a real epidemic of tree feeding pests. The public should also realize that pesticides are controlled by laws in Massachusetts and under the recommendation of the Massachusetts Pesticide Board.

The oak-leaf skeletonizer, which has been a troublesome leaf-feeding pest of our oak trees over the last three years, in all probability will cause us little or no trouble for many years to come. This insect is typical of many insects which reach epidemic populations and then subside to little or no importance until the peak of their cycle is reached again.

It should be noted that within fifty miles of Norwell there are severe epidemics of Gypsy Moth, which is a most troublesome leaf-eating insect. Careful observation and prompt action could save us from a serious outbreak of this insect.

In closing, I should like to thank all the Town Departments, particularly the Highway Department for their cooperation shown me during the year of 1971. Also, I should like to thank the North River Gardeners, on behalf of the Town for supplying the funds to landscape our new Police Station.

Respectfully submitted,

Wesley H. Osborne, Jr.
Tree Warden and
Superintendent of Public Grounds

REPORT OF THE SCHOOL COMMITTEE

The start of construction on our new 1000-pupil high school was the highlight of 1971. Land clearing was started as soon as the contract was awarded in the fall, with the hope that winter would not affect our 1973 scheduled opening. After six years of planning, discussion, votes, dissapointements, and town meetings, the efforts of many came to fruition as construction was begun. When the new high school has been completed, we shall, as has been so frequently stated, move the junior high school into the present high school. With approximately 149 Home Building Starts, we cannot look forward to Norwell slowing in its upward student trend for some time.

In spite of the tremendous overcrowding in our schools, we have found the parents, and the students at all grade levels, cooperative and the spirit to be good. There have been administrative nightmares to contend with but, with the assistance of the townspeople, teachers, and staff of the Norwell schools, we have been able to smooth out the space problems but not eliminate them. The high school, with 665 students in a building designed for 450, went on an extended day this fall. This new schedule has helped some but, until the new

building is completed, we cannot hope to do much more than ease the pain. The School Committee has been pleased with the increased participation of both students and citizens in the activities of the school. From athletics to dramatics, participation and performance must be judged outstanding.

Two very important changes in administration occurred during the year with the appointment of our new Superintendent of Schools, Robert E. Bunnell, who, with his previous experience as Superintendent in both Rhode Island and Vermont, is bringing to our town some valuable administrative ability. The second man to be appointed was Joseph Buckley, Assistant Superintendent of Schools, who will not assume his duties until the first of the new year.

A very important piece of legislation was passed by the General Court during the year. Massachusetts will now help to finance more of our school construction than in the past — up to 65% as against 50% under the old law. But the more important feature of the bill is the state participation in the cost of interest — up to 65% as opposed to nothing under the old law. This will have an important effect upon the monies we receive and, although we have not officially received notice as to how much we will receive, our new high school qualifies under the new law.

A new school bus was purchased for use for both academic and sports events. We feel the bus is paying for itself very quickly due to its constant usage. Since the bus is a town vehicle, we of the Committee encourage the use of it by groups of Norwell citizens when the schools are not using it.

Your School Committee has attempted to control the operating costs for the biggest business in our town. It has not been easy because of the high figure of transportation, which is a bid item, and salaries, which are negotiated and subject to the South Shore prevailing wages. Salaries and transportation amount to almost 85% of our budget.

We wish to thank the people of Norwell for their continued support of our school system. With your help and encouragement, we hope to continue improving the education of our children so they may become better citizens.

Respectfully submitted,

Harold G. Simms, Chairman
Samuel Ballerini
Mary Gunn
Charles Hayes
Robert Detwiler

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

In this, my first report to the Citizens of Norwell, it would be presumptuous of me to attempt an in-depth review of the School year. Instead, I will provide some basic data and offer a few of my impressions to date.

Our school enrollment continues to grow as more and more people discover the benefits and charm of our rural setting so close to Boston. Total enrollment as of October 1, 1971 was 2,506. This compares to a total enrollment of 2,380 on October 1, 1970. The breakdown of enrollment by specific schools is as follows:

Kindergarten	221
Vinal Elementary School	345
Cole Elementary School	575
Osborn Elementary School	310
Junior High School	389
Senior High School	666
	<hr/> 2,506

It is significant that the enrollment in kindergarten is 221 and in grade 12 it is 153. Obviously, we are continuing to grow and remain overcrowded. It is fortunate that the citizens of Norwell have recognized this problem and have taken steps to provide increased school facilities.

Certainly, the most exciting event during the past year was the breaking of ground for the new high school. We all look forward eagerly to its completion. This project is the result of the dedicated service of many people and all of us in the public schools are grateful.

There were a number of curriculum and organizational changes in the schools. Most dramatic of these is probably the relocation of the kindergarten at the Church Hill Methodist Church Educational Building. Despite some beginning problems and adjustments, the faculty and students have taken the move in stride and education is moving ahead.

In the elementary schools, a defined science program has been installed. The Triple A-S (A.A.A.S.) Science Program is being introduced in all schools. This is basically a laboratory approach to science and is in keeping with the theory that children learn best through development of a process. Also, an English Language Program, Our Language Today, has been installed in the fifth and sixth grades. The phasing-in of the Addison-Wesley modern math series continued and will be completed through grade 6 in 1972.

The Junior High School has adopted a new science program which emphasizes an inductive, more student-oriented approach. The Oregon Curriculum in English has now been fully implemented in grade 7 and will be phased into grade 8 in 1972. The shop has been partitioned to allow the junior and senior high school programs to operate separately.

The major change in the high school, of course, has been the implementation of the Extended School Day. Classes start at 7:45 a.m. and continue until 3:15 p.m. There have been a number of refinements in the program, such as the provision of semester courses in English and Social Studies for juniors and seniors, and the implementation of Phase 2 of two-year Algebra course.

I am convinced that all of the ingredients: a dedicated community, a highly-trained and committed faculty, and an excellent student body, are present to make the Norwell schools outstanding. As we move through this transition period, I expect there will be emphasis on increased heterogeneity in classes, recruiting and holding a first-rate faculty, and an attempt to capitalize on the advantages of a small community school system. I look forward to the future with enthusiasm and thank you for your support.

Respectfully submitted,

Robert E. Bunnell

REPORT OF THE SCHOOL PHYSICIAN

Please accept my annual report as school physician.

After completing routine examinations it appears that the general health of most students is very good. Athletes seem to be increasingly serious and knowledgeable for physical fitness. Teams have made outstanding records with dedicated coaching.

The physical education facilities still need to be improved and extended for all with particular emphasis for the non-athletes in the older grades. The much needed high school should help the crowded conditions.

School nurses have relieved teachers of many distracting details involving health, hygiene, injuries and personal problems as well as illness. Parents are reassured by the many efficient and compassionate assists of our nurses. I certainly appreciate their help and routine monitoring of health in the schools.

The immunization programs sponsored by the Board of Health continue to prove effective with high attendance and minimal contagion.

The Dental Hygienist has been very busy with a worthwhile training program.

Drug abuse continues to present a problem in spite of a good program and generally better informed students.

I would again urge educational emphasis on the many opportunities in the so-called "health careers".

Sincerely yours,

Raymond G. Vinal, M. D.

1971 REPORT SOUTH SHORE REGIONAL SCHOOL DISTRICT

This school year marked a turning point in the life of the South Shore Vocational Technical High School. A decade has passed, our bond on the building has been fully paid and the school has reached its pupil capacity. Therefore, starting September 1971, no pupils out of district will be accepted. However, boys already in school will be allowed to complete studies and graduate. The district includes Abington, Cohasset, Hanover, Norwell, Rockland and Scituate.

Studies are underway for expansion of school building spaces, addition of new technical and vocational departments and a coeducational school.

High School students today are looking for relevance in education so that tomorrow when job hunting they will have skills and training to offer the employer.

The South Shore Natural Science Center on Jacobs Lane in Norwell constructed by the carpentry department has been wired by the electrical department. Interior finish and cabinet work is being completed in the school carpentry shop. This Royal Barry Wills Cape Cod styled building offers the community recreation with education. Our school is proud to have had such an opportunity to serve the youth of the community.

Another project by the carpentry department is a two story English Tudor home being built on Captain Vinal Way in Norwell.

A new Landis universal grinding machine has been added to the machine shop allowing the grinding of internal and external diameters to close tolerances. Continually the machine shop, plus all other shops are keeping up to date in materials, processes and instruction so all work taught is relevant to today's industrial practices.

In the academic subjects, emphasis is placed on reading and mathematical skills. Remedial work is provided when necessary. A remedial reading instructor will be added next year.

Among the new activities started this year, are a school newspaper and opportunities to attend legitimate theater in Boston.

Health and personal hygiene have been made important in the science field so our youth can resist the damaging effects of using drugs, alcohol and tobacco. The entire student body is attending a medical self-help program prepared by civil defense. Everybody learns mouth to mouth resuscitation using a life size manikin.

In sports, hockey has been added to baseball, soccer and basketball in the interscholastic program. An active intramural program in bowling and weightlifting is in progress with archery, golf, flycasting and table tennis to be introduced later in the season under the direction of Mr. Paul Blanchard.

Through the years, the school has had Frederick J. Teed as Superintendent-Director. We are proud of his dedication, his accomplishments, his respect for the students and faculty and their respect for him. This high school like all others is going through a period of restlessness and change but Mr. Teed keeps the Vo Tech ship on an even keel.

Respectfully submitted

Gunvor N. Armstrong

WARRANT FOR ANNUAL TOWN MEETING, MARCH 8, 1971

Plymouth, ss.

To one of the Constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs to meet at the Senior High School in said Norwell on Monday, the eighth day of March, 1971 at 7:30 p.m., then and there to act upon the following articles, to wit:

ARTICLE 1

To see if the Town will accept the reports of its Officers, Boards, Departments, Committees and Commissions, as printed in the 1970 Annual Report, or act on anything relative thereto.

ARTICLE 2

To see if the Town will vote to raise and appropriate, or appropriate from available funds, sums of money to defray the charges, expenses and salary and payroll obligations of the Town, including debt and interest, to provide for a Reserve Fund for the ensuing year and to fix the salary and compensation of all Elected Officers of the Town, or act on anything relative thereto.

ARTICLE 3

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971, and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or act on anything relative thereto.

Requested by the Town Treasurer

ARTICLE 4

To see if the Town will vote to appropriate and transfer the 1970 County Dog Tax Refund to the School Department General Education Expenses Account, or act on anything relative thereto.

Requested by the Advisory Board

ARTICLE 5

To see if the Town will vote to establish, under General Laws, Chapter 121B, a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, or act on anything relative thereto.

Requested by the Norwell Council on Aging.

ARTICLE 6

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$270.00, or any other sum, for the purpose of maintaining during the ensuing year, the Mosquito Control Works, as estimated and certified by the State Reclamation Board, in accordance with the provisions of Chapter 112, Acts of 1931, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 7

To see if the Town will vote to authorize the Town Accountant to close out the unexpended balances in various accounts, the purposes of which have been completed, or act on anything relative thereto.

Requested by the Town Accountant

ARTICLE 8

To see if the Town will vote to raise and appropriate, or appropriate from available funds, sums of money for the payment of unpaid bills, or act on anything relative thereto.

Requested by the Town Accountant

ARTICLE 9

To see if the Town will vote to appropriate from available funds the sum of \$40.00, or any other sum, to be expended under the direction of the Board of Selectmen, for the payment of an unpaid Hospital Bill, for services rendered in February and March, 1968, in accordance with General Laws, Chapter 117, Section 24A, or act on anything relative thereto.

Requested by Veteran's Agent

ARTICLE 10

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$1,500.00 or any other sum, to be expended under the direction of the Board of Selectmen, to provide a suitable memorial to those men and women of Norwell who served their country in the Armed Forces

during the Second World War and the Korean Conflict, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 11

To see if the Town will vote to authorize the Board of Selectmen to convey lot numbered 120, shown on a plan entitled: "JACOBS LAKE SHORES NORWELL MASS.", by Ernest W. Branch, Inc., C.E., dated March 11, 1939, recorded with Plymouth Registry of Deeds in Plan Book 5, page 934, bounded, according to said plan, as follows:

NORTHERLY	by land of Henry Hayward, 87.81 feet;
WESTERLY	By lot 121, 121.80 feet
SOUTHERLY	By Leigh Road, 47.85 feet;
EASTERLY	By lot 119, 132.31 feet;

or however otherwise bounded and described, to Raymond T. McKeever and Elaine P. McKeever, for the sum of Two Hundred (\$200.00) Dollars, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 12

To see if the Town will vote to amend Article VII, entitled: "Contracts", of the Town By-Laws by deleting, in Section 1., the sum of \$500.00, and by substituting in place thereof the sum of \$1,000.00, and be deleting, in Section 4, the sum of \$1,000.00, and by substituting in place thereof the sum of \$2,000.00, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 13

To see if the Town will vote to accept a portion of Till Rock Lane, as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation, or act on anything relative thereto.

Requested by petition to the Board of Selectmen

ARTICLE 14

To see if the Town will vote to appropriate the sum of \$1.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, to augment funds in the amount of \$6,270,000.00, voted under Article 6 at the Special Town Meeting held December 14, 1970, for the construction of a new, expansible, free standing 1000 pupil senior high

school building, including the cost of original equipment and furnishings of said building, to be located on the Main Street — South Street site, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

ARTICLE 15

To see if the Town will vote to amend ARTICLE VI of the Town By-Laws, entitled: "APPOINTED TOWN OFFICERS", by adding to SECTION 1. "Permanent Building and Maintenance Committee", and by adding at the end of ARTICLE VI the following:

"Permanent Building And Maintenance Committee"

SECTION 1. — There shall be a Permanent Building and Maintenance Committee which shall be responsible for the construction, reconstruction and alteration of all Town buildings and structures. The Committee shall be appointed by the Board of Selectmen, shall consist of seven (7) residents of the Town and shall be appointed for three year terms as follows: two shall be appointed the first year, two shall be appointed the next year and three shall be appointed the following year. Vacancies shall be filled by the Board of Selectmen for the remaining portion of an unexpired term. The members of the Committee on the date this provision is effective shall be designated first, second and third year members by the Board of Selectmen and shall be subject to reappointment or replacement upon the expiration of their terms.

SECTION 2 — The Permanent Building and Maintenance Committee shall organize by choosing a Chairman and a Secretary.

SECTION 3 — The Permanent Building and Maintenance Committee shall review the condition, upkeep, maintenance and repair of all Town owned buildings at reasonable intervals and shall report their findings and recommendations to the Board of Selectmen in writing."

or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 16

To see if the Town will vote to appropriate from available funds the sum of \$7,333.33, or any other sum, in anticipation of partial reimbursement by the Commonwealth of Massachusetts, for Chapter 81 maintenance work on the Highways, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 17

To see if the Town will vote to appropriate from available funds, the sum of \$29,000.00, or any other sum, for and in anticipation of a partial reimbursement by the Commonwealth of Massachusetts and the County of Plymouth, for Chapter 90 reconstruction on Norwell Avenue, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 18

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$40,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the resurfacing of sections of Grove Street, River Street, Old Oaken Bucket Road, Circuit Street and Main Street, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 19

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$7,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the purchase of a new four-wheel drive pickup truck complete with snowplow and two-way radio for the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 20

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$7,000.00, or any sum, to be expended under the direction of the Highway Surveyor, for the purchase of a new truck chassis complete with two-way radio for the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 21

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$18,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the purchase of a new street sweeper for the Highway Department, complete with two-way radio, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 22

To see if the Town will vote to accept the alteration and relocation of a portion of Winter Street, as altered, relocated and laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office and to authorize the Selectmen to acquire, in fee simple, by purchase, gift, or taking by eminent domain, the land shown on the plan entitled "ALTERATION AND RELOCATION OF A PORTION OF WINTER STREET NORWELL", dated January 20, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, and to raise and appropriate, or appropriate from available funds, therefore, and all expenses in connection therewith, the sum of \$12,000.00, or any other sum, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 23

To see if the Town will vote to accept the alteration and relocation of a portion of Bowker Street, as altered, relocated and laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office and to authorize the Selectmen to acquire, in fee simple, by purchase, gift, or a taking by eminent domain, the land shown on the plan entitled "ALTERATION AND RELOCATION OF A PORTION OF BOWKER STREET NORWELL", dated January 20, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, and to raise and appropriate, or appropriate from available funds, therefore, and all expenses in connection therewith, the sum of \$16,000.00, or any other sum, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 24

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$35,000.00, or any other sum, for use by the Permanent Drainage Committee to accomplish the design, specifications and construction of the most needed drainage projects within this sum, or act on anything relative thereto.

Requested by the Permanent Drainage Committee

ARTICLE 25

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$30,000.00, or any other sum, for the use of the

Permanent Drainage Committee to prepare a Master Drainage Plan for the Town of Norwell, or act on anything relative thereto.

Requested by the Permanent Drainage Committee

ARTICLE 26

To see if the Town will vote to adopt an official map, prepared under the direction of the Planning Board, a copy of which has been filed with the Town Clerk's Office and which is incorporated herein by reference, or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 27

To see if the Town will vote to discontinue all Town Ways not shown on the official map, or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 28

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$2,500.00, or any other sum, to be expended under the direction of the Board of Selectmen, for work on the laying out of Town Ways, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 29

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$28,400.00, or any other sum, to be expended under the direction of the Board of Health, for the preparation and conversion of present dump site to a sanitary landfill operation, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 30

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$38,000.00, or any other sum, to be expended under the direction of the Board of Health for the purchase of heavy duty equipment for use at the Town Dump, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 31

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$14,700.00, or any other sum, to be expended under the direction of the Board of Health, for operation of a sanitary landfill at the Town Dump, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 32

To see if the Town will vote to appropriate the sum of \$58,000.00., or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a building, including the cost of original equipment and furnishings of said building, for use by the Tree and Public Grounds Department and the Board of Health, for equipment storage and maintenance, on Town-owned land on Pine Street, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Health and
the Tree & Public Grounds Department

ARTICLE 33

To see if the Town will vote to appropriate the sum of \$10,800.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a building, including the cost of original equipment and furnishings of said building, to be used by the Board of Health for equipment storage and maintenance, and to determine whether the same will be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 34

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$10,000.00 or any other sum, to be expended under the direction of the Tree Warden, for the purchase of a new Dump Truck to replace the one now in use, or act on anything relative thereto.

Requested by the Tree Warden

ARTICLE 35

To see if the Town will vote to accept the provisions of General Laws, Chapter 41, Section 69G; establish the Office of Lands and Natural Resources; amend Article V of the Town By-Law entitled: "Elected Town Officers", by

deleting "the Tree Warden" provisions, and by amending Article VI of the Town By-Laws, by adding "The Office of the Director of Lands and Natural Resources", or act on anything relative thereto.

Requested by the Conservation Commission

ARTICLE 36

To see if the Town will vote to instruct the Board of Selectmen to submit legislation to the General Court which provides that upon acceptance by the Town of Norwell the Office of Lands and Natural Resources, either previously established or to be established, shall be filled by election, at and as a part of the Annual Town Election, for a term of three years, or act on anything relative thereto.

Requested by the Conservation Commission

ARTICLE 37

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$10,000.00, or any other sum, to be added to the conservation fund, under the provisions of General Laws, Chapter 40, Section 5, Clause 51, as amended, and Section 8C, as amended, or act on anything relative thereto.

Requested by the Conservation Commission

ARTICLE 38

To see if the Town will vote to establish, designate and place under the control of the Town of Norwell Conservation Commission the parcels of Town-owned property located on the WESTERLY side of Jacobs Lane, consisting of approximately 80 acres, shown in part on Page R-13 of the Atlas of the Town of Norwell on file in the Assessors' Office, as conservation land to become a part of the property under the management, direction and control of the Conservation Commission of the Town of Norwell, in order to protect the natural resources and the watershed resources of the Town, or act on anything relative thereto.

Requested by the Conservation Commission

ARTICLE 39

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$8,000.00, or any other sum, to be expended under the direction of the Board of Fire Engineers, for the purchase of and equipment for a new or reconditioned ladder truck for use by the Fire Department, or act on anything relative thereto.

Requested by the Board of Fire Engineers

ARTICLE 40

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire in fee simple, by purchase or by taking by eminent domain, for use as a site for a new fire station, a parcel of land located on the NORTHEASTERLY side of Pine Street, containing approximately 9 acres, shown as parcel 56 on Page R-26 of the Atlas of the Town of Norwell on file in the office of the Board of Assessors, presently owned in whole or in part by Richard A. Files and Eldon E. Workman, Trustees of the Red Stick Realty Trust, and to appropriate therefore, and all expenses in connection therewith, the sum of \$10,000.00, or any other sum, and to determine whether the same shall be provided by taxation, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Fire Engineers

ARTICLE 41

To see if the Town will vote to authorize and direct the Board of Water Commissioners to acquire, in fee simple, by purchase or by taking by eminent domain, for the purposes of public water supply and for the protection of the Norwell Water System, a parcel of land containing approximately 16 acres, located off Bowker Street, and being contiguous to the land shown on a plan entitled: "PLAN OF LAND IN NORWELL FOR DEVELOPMENT OF WATER SUPPLY TOWN OF NORWELL", dated: February 13, 1968, by Loring H. Jacobs, Registered Land Surveyor, a copy of which is on file in the Town Clerk's Office, said plan being made a part hereof and incorporated herein by reference, and to raise and appropriate or appropriate from available funds therefore, and all expenses in connection therewith, the sum of \$1,000.00, or any other sum, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 42

To see if the Town will vote to authorize and empower the Board of Water Commissioners to convey to Morris L. Cooper or his successors in title, Sandra J. Dearth, Sanborn Vincent and Priscilla T. Vincent, an easement to use the road constructed by the Water Commissioners, which runs from Mount Blue Street to the new standpipe on Judge's Hill, with the easement to include the right to use said road for all purposes for which roads are customarily used in the Town of Norwell, and such other terms and conditions as the Water Commissioners may determine, but including, in any event, the provision that the Town of Norwell shall not be responsible for the construction or reconstruction upkeep, maintenance and plowing of said roadway, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 43

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$7,000.00, or any other sum, to be expended by the Board of Water Commissioners, for the purchase of an air compressor, air jack hammer, cutting and tamping tools and air hose for the use of the Water Department, or act on anything relative thereto.

Requested by Board of Water Commissioners

ARTICLE 44

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$10,000.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the salary of a Water Superintendent, or act on anything relative thereto.

Requested by Board of Water Commissioners

ARTICLE 45

To see if the Town will vote to appropriate the sum of \$50,000.00, or any other sum, for the laying and relaying of water mains, of not less than six but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Stetson Road from the end of the existing main to the expressway, under the expressway to Stetson Shrine Lane and in Stetson Shrine Lane to the existing water main in River Street, and to determine whether the same shall be provided by taxation, by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 46

To see if the Town will vote to appropriate the sum of \$20,000.00, or any other sum, for the laying and relaying of water mains, of not less than six but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Stetson Road from the end of the existing main to the Southeast Expressway (Route 3), and under the expressway to Stetson Shrine Lane, and to determine whether the same shall be provided by taxation, by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 47

To see if the Town will vote to appropriate the sum of \$30,000.00, or any other sum, for the laying and relaying of water mains, of not less than six but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Stetson Shrine Lane from the termination of the proposed water main under the Southeast Expressway (Route 3) to the existing water main on River Street, and to determine whether the same shall be provided by taxation, by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 48

To see if the Town will vote to appropriate the sum of \$45,000.00, or any other sum, for the laying or relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Summer Street, from the end of the existing main in Summer Street, for a distance of approximately 6,300 feet, to the Town line, and to determine whether the same shall be provided by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by 54 Registered Voters

ARTICLE 49

To see if the Town will vote to accept the provisions of General Laws, Chapter 41, Section 108L, which provides for the establishment of a career incentive pay program for regular full-time members of the Police Department, or act on anything relative thereto.

Requested by Board of Selectmen

ARTICLE 50

To see if the Town will raise and appropriate, or appropriate from available funds, a sum of money, for the career incentive pay program for regular full-time Police Officers in accordance with General Laws, Chapter 41, Section 108L, or act on anything relative thereto.

Requested by Board of Selectmen

ARTICLE 51

To see if the Town will vote to authorize the Board of Selectmen and the Conservation Commission to negotiate for the lease of a parcel of Town-owned land located off Wildcat Lane, described on the Assessors' map sheet 24, parcel 66 - Lot 4, to the Norwell Youth Hockey Association, Inc., for the purpose of

establishing a site for a hockey rink for the Town, or act on anything relative thereto.

Requested by 20 Registered Voters

ARTICLE 52

To see if the Town will vote to authorize the Selectmen to negotiate the lease of a parcel of Town-owned land described on the Town's Assessor's Map Sheet 7 as parcel No. 35 — Lot 24, containing approximately 10 acres, located off Prospect Street, to the Norwell Youth Hockey Association, Inc., for the purpose of establishing a site for a hockey rink for the Town of Norwell, or act on anything relative thereto.

Requested by 20 registered voters

ARTICLE 53

To see if the Town will vote to authorize the Board of Selectmen to acquire, in fee simple, by purchase or by eminent domain, for the purpose of a Public Library, a parcel of land containing approximately two-thirds of an acre, with the building thereon, situated on the SOUTHERLY SIDE of MAIN STREET and bounded:

NORTHEASTERLY

By Main Street;

SOUTHEASTERLY

By land of the First Parish Cemetery

SOUTHWESTERLY

By West Street;

NORTHWESTERLY

By land of the South Scituate Savings Bank
and land now or formerly of Nellie L. Sparrell;

known as 690 MAIN STREET, and to appropriate therefore, and all expenses in connection therewith, the sum of \$60,000.00, or any other sum, and to determine whether the same shall be provided by taxation, by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Library Site Committee

ARTICLE 54

To see if the Town will vote to appropriate the sum of \$60,000.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, in accordance with specifications developed by the Library Study Committee, for renovating, remodeling, equipping and furnishing the garage building described in Article 53 of this Warrant, for use as a central public library, or act on anything relative thereto.

Requested by the Library Study Committee

ARTICLE 55

To see if the Town will vote to authorize the Board of Selectmen to acquire, in fee simple, by purchase or by taking by eminent domain, for the purposes of a site for a Public Library, the land shown on a plan entitled: "PLAN OF LAND FOR LIBRARY SITE NO 1 MAIN STREET NORWELL", dated: January 11, 1971, by Loring H. Jacobs and Associates Inc., a copy of which is on file in the Town Clerk's Office and which is incorporated herein by reference, and bounded and described, according to said plan, as follows:

NORTHERLY	By Main Street, 450 feet;
EASTERLY	By land of the Town of Norwell, 291.58 feet;
SOUTHERLY	By land of the Town of Norwell, 450.04 feet;
WESTERLY	By land of Marshall W. Grigsby and Hassie T. Grigsby, 290.91 feet;

containing approximately three acres, and to appropriate therefore, and all expenses in connection therewith, the sum of \$30,000.00, or any other sum, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Library Site Committee

ARTICLE 56

To see if the Town will vote to authorize the Board of Selectmen to acquire, in fee simple, by purchase or by taking by eminent domain, for the purposes of a site for a Public Library, the land shown on a plan entitled: "PLAN OF LAND FOR LIBRARY SITE NO. 2 MAIN STREET NORWELL", dated: January 11, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office and which is incorporated herein by reference, and bounded and described, according to said plan, as follows:

NORTHERLY	By Main Street;
EASTERLY	By land of the Norwell Grange;
SOUTHERLY	By land of the Norwell Grange and by land of the Town of Norwell;
WESTERLY	By land of Fred A. Nucci;

containing approximately two acres, and to appropriate therefore, and all expenses in connection therewith, the sum of \$25,000.00 or any other sum, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Library Site Committee

ARTICLE 57

To see if the Town will vote to establish a parcel of the Town-owned property located on Jacobs Lane, consisting of approximately 2.8 acres, situated on the WEST end and WESTERLY side of Jacobs Lane, shown as Parcel No. 9 on Sheet R-13 of the Atlas of the Town of Norwell on file in the Assessors' Office, as a site for a new central public library, or act on anything relative thereto.

Requested by the Library Site Committee

ARTICLE 58

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$3,000.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the development of preliminary plans, in accordance with specifications developed by the Library Study Committee, for a new central Public Library, or act on anything relative thereto.

Requested by the Library Study Committee

ARTICLE 59

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire, in fee simple, by purchase or by taking by eminent domain, for the purposes of a municipal golf course, two parcels of land containing approximately 144 acres, located on the NORTHERLY side of the SOUTHEAST EXPRESSWAY; on the EASTERLY side of STETSON SHRINE LANE; the WESTERLY side of the NORTH RIVER and the SOUTHERLY side of SHRINE LANE; shown on a plan entitled: "COMPILED PLAN OF LAND IN NORWELL: dated: September 2, 1970, by Loring H. Jacobs and Associates Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, and to appropriate therefore, and all expenses in connection therewith, the sum of \$250,000.00, or any other sum, and to determine whether the same shall be raised by taxation, transferred from available funds, provided by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Golf Study Committee

ARTICLE 60

To see if the Town will vote to discharge the present Golf Course Study Committee and instruct the Moderator to appoint a new committee, to consist of 7 residents of the Town, to be called the Golf Course Committee, and to authorize and direct the new committee to prepare preliminary plans and estimates for the construction of a municipal golf course and to raise and

appropriate the sum of \$5,000.00, or any other sum, for committee expenses and engineering fees, or act on anything relative thereto.

Requested by the Golf Course Study Committee

ARTICLE 61

To see if the Town will vote to amend its Zoning By-Law and so note on its Zoning Map by changing from "Residential District A" to "Business District C" the following described parcel of land:

That certain parcel of land situated on the SOUTHWESTERLY SIDE of the Southeast Expressway in the Town of Norwell, Plymouth County, Massachusetts, bounded and described as follows:

NORTHWESTERLY	By the Southeast Expressway, 770.00 feet, more or less;
EASTERLY	By land now or formerly of Bunnell, 518.00 feet, more or less;
SOUTHERLY and EASTERLY	Again by land, now or formerly of Bunnell, by two courses, 208.37 feet, and 33.00 feet, more or less;
SOUTHWESTERLY	By the center line of Third Herring Brook and the Hanover-Norwell Town Line, about 1,300 feet;

Said parcel is more particularly shown and described on a plan prepared by Bradford Saivetz & Associates, Inc. of Braintree, Massachusetts, dated January 1, 1971, a copy of which is filed with this Article, or act on anything relative thereto.

Requested by 17 Registered Voters

ARTICLE 62

To see if the Town will vote to authorize the Board of Assessors to appoint a Member as an employed clerk for the Board of Assessors, or act on anything relative thereto.

Requested by the Board of Assessors

ARTICLE 63

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$33,000.00, or any other sum, to be expended under

the direction of the Board of Assessors, for an expert appraisal of taxable real estate, or act on anything relative thereto.

Requested by 13 Registered Voters

ARTICLE 64

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$2,318.40, or any other sum, to be expended under the direction of the Board of Selectmen, for the leasing of 15 voting machines, or act on anything relative thereto.

Requested by the Town Clerk

ARTICLE 65

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$1.00, or any other sum, to be added to the Stabilization Fund, as provided by General Laws, Chapter 40, Section 5B, or act on anything relative thereto.

Requested by the Advisory Board

ARTICLE 66

To see if the Town will vote to transfer \$1.00, or any other sum, from available funds, and authorize the Assessors to use this sum to decrease the 1971 Tax Rate, or act on anything relative thereto.

Requested by the Advisory Board

ARTICLE 67

To see if the Town will vote to amend the Town By-Laws by adding a new Article XX to read as follows:

ARTICLE XX – NORWELL PERSONNEL PLAN

1. TITLE

The provisions of this By-Law and, any subsequent changes and/or addendums thereto (i.e., Job Classifications and Pay Ranges), shall be the Norwell Personnel Plan (hereinafter referred to as the Plan) for all Town employees in positions except for employees as exempted in Section 2.

2. PERSONS COVERED

The Plan shall apply to all persons compensated by the Town with the exception of those persons elected by popular vote, those persons under the control of the Trustees of the Wm. J. Leonard Library, and those persons represented by recognized bargaining agents.

Regular Full-Time Employees are persons who are regularly scheduled and work a minimum number of hours per week for each week throughout the year as specified in Section 6a of the Plan.

Regular Part-Time Employees are persons who work less than the applicable minimum hours per week as specified in Section 6a of the Plan, but are employed for and work a designated number of hours per week for each week throughout the year.

Intermittent Employees are persons who work on an irregular or non-scheduled basis as determined by the work load in the Department throughout the year.

Seasonal Employees are persons who are employed for specific periods of increased work loads as determined by climatic conditions, e.g., moderate weather for road repairs, etc.

Temporary Employees are persons who are employed temporarily to replace regularly scheduled employees who might be absent for extended period.

Emergency Employees are persons who are employed only for the duration of an actual emergency situation.

4. TITLES OF POSITIONS

The job titles and classifications of positions for covered employees of the Town will remain unchanged but shall be reviewed by the Personnel Board for the purpose of classification in the establishment of a compensation plan. Said compensation plan may be made effective upon the acceptance of such by vote of the Town at a duly convened Town Meeting.

5. EFFECTIVE DATE

This Plan shall be operative on the first Monday of the month next following the acceptance of same by vote of the Town.

6. CONDITIONS OF EMPLOYMENT

The following subsections embody those policies governing the conditions of employment for covered Town employees, the interpretation of such policies being the responsibility of the Personnel Board.

A. Hours of Work

Regular full-time employees of the Town will be scheduled to work a minimum number of hours as outlined below, so as to retain said status;

clerical employees	35 hours per week
Administrative & Supervisory	as required
all others	40 hours per week

B. Vacations

Vacations shall be granted in accordance with Article XVIII of the Town By-Laws, said Article being incorporated in this plan without change but to include the following provisions:

Employees of the Town in other than a regular full or part-time capacity, as defined by the Plan, are not eligible for paid vacations.

Upon the termination of a Town Employee pro-rata payment shall be made for unused vacation time, provided the employee terminates in good standing. Good standing, for the purposes of this paragraph shall mean, that, the employee has submitted to the Department Head and the Personnel Board, adequate written notice of intent to terminate. Such notice shall be deemed adequate if equivalent to the length of the annual vacation leave. In any case, a minimum of two week's notice of intent to terminate is required. The amount of the payment shall be determined by the Personnel Board and be computed in accord with the basic provisions of the incorporated Vacation Article and any applicable provisions of the Plan.

Upon the death of an employee eligible for vacation leave, payment shall be made to the estate of the deceased or heirs. The amount of the payment shall be determined by the Personnel Board or be computed in accord with the basic provisions of the incorporated Vacation Article and any applicable provisions of the Plan.

C. Sick Pay

All regular full-time and regular part-time employees (on a pro-rata basis) shall be eligible to receive time off with pay in the event of a bona fide personal sickness or non-service connected injury. All other employees are not eligible for sick pay.

Sick leave will be in the amount of one day per month or 12 days per calendar year. Unused sick time will accumulate from year to year to a maximum of 120 days. An eligible employee must have completed a minimum of six months continuous service to be eligible for any sick leave.

Sick leave with pay may be granted or denied within the discretion of the Department Head based upon his determination that absence was occasioned by illness. An employee may be required to submit a doctor's certificate to his department head after three (3) consecutive days of sickness or injury leave, and the department head will forward said certificate to the Personnel Board for its records.

Injury or illness resulting from the use of alcohol or drugs shall not be considered a proper claim for sick leave.

No payments shall be made under this section to an employee whose absence is occasioned by a work connected injury. Payments for absences for a work connected injury will be made in accordance with the statutory requirements of the Workman's Compensation Law.

D. Bereavement Leave

Regular full and part-time employees may have up to three consecutive calendar days off, without loss of pay, in the event of a death in the immediate family of said employee. The immediate family as contemplated by this section shall be limited to and include, wife, husband, mother, father, child, brother, sister, mother-in-law, and father-in-law.

E. Military Leave

Regular full and part-time employees with more than six months continuous service to the Town prior to the commencement of the service herein referred to, who are called for temporary summer or like period of training in the military forces of the Nation or Commonwealth shall be paid regular pay less military pay for military leave, not exceeding two weeks per year. In no instance may vacation leave be substituted for such paid military leave time. The employee, however, may elect to take vacation leave for any military leave period which otherwise would be unpaid, to the extent eligible for such vacation leave.

F. Holidays

Regular full and part-time employees shall be granted the following ten paid holidays each year:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Patriot's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

Holidays falling on a Sunday shall be celebrated on the following day, Monday; holidays falling on Saturday shall be celebrated on the preceding day, Friday.

Non-salaried employees of the Town who are eligible for holiday pay, that are required to work on any holiday, shall receive their regular straight time hourly rate for all hours worked, in addition to their holiday pay (except as provided in paragraph H of this section). Salaried employees who are required to work on a holiday shall receive no additional compensation for such work other than holiday pay, but shall receive equivalent time off within the four-week period immediately preceding or following said holiday as may be scheduled by the department head. Regular full and part-time members of the police and fire departments shall be considered salaried for the purposes of this section.

No seasonal, intermittent nor temporary employee is eligible for holiday pay, as such.

Holiday pay may be denied by a department head for employees who are absent from work without prior approval or justifiable cause on the scheduled day of work preceding or following a holiday.

G. Leave of Absence

A leave of absence occasioned by illness, injury, pregnancy, military duty or for any other reason deemed adequate by an employee's department head may be granted for a maximum of 90 days to any permanent full or part-time employee, who has been in continuous service for a period of one year.

Such requests for leave must be in writing and signed by the employee. The request is to be forwarded by the department head who has noted approval or disapproval to the Personnel Board for review and inclusion in the employee's record.

The request should state the date that the leave is to begin and the date upon which the employee is expected to return to work. Failure to return to work on the date noted shall serve to issue a letter by the Personnel Board indicating termination of employment.

All approved leaves of absence shall so operate as to retain an employees original date of employment, benefits and entitlements as if no break in service had occurred.

All extensions of leaves of absence or requests for leaves, which are in total more than 90 days, are to be requested in writing by the appropriate department head and approved by the Personnel Board.

This policy shall not operate to cut off the rights and entitlements of any employee called for active military service. A leave of absence will be granted to said employee for the duration of his military service to the extent provided by the applicable Federal and State Law.

All leaves of absence as contemplated by this section shall be without compensation.

H. Special Payments

1) Shift Differential

All regular full or part-time employees regularly scheduled to work four or more hours between the hours of six P.M. and six A.M. shall be paid a premium for all hours worked on said day in addition to their regular straight time hourly

rate. The amount of the premium shall be added to the base hourly rate for each such hour and shall be in the amount of 5% of the base hourly rate for said employee.

2) Overtime

Work performed by hourly employees in excess of eight hours per day, or 40 hours per week, shall be compensated at 1-½ times regular straight time hourly rate.

3) Occupational Sick Leave

Each employee, subject to Chapter 152 of the General Laws, pertaining to

Workman's Compensation, shall be entitled to the benefits of said chapter.

Each employee not covered by said Chapter 152, except firemen and policemen, who sustains injury or illness arising out of his employment in the town service, shall be entitled to receive his full pay for the period of his incapacity. If such period exceeds thirty (30) days, continued payment beyond such period shall be subject to approval by the Personnel Board, which may require periodic written medical testimony supporting the claim of continued incapacity as a condition precedent to its approval. Firemen and Policemen are covered under Chapter 41, S. 111f of the General Laws.

4) Section 6H4 — Recall Pay — An employee called to work during hours normally scheduled off shall be paid a minimum of two hours pay. Overtime rate will apply if qualified under Section 6H2

7. RECORDS

A personnel record of each Town employee, including both elected and appointed employees, shall be kept by the Personnel Board. Said record shall contain all the vital statistics and other pertinent data of each such employee. It shall be the duty of each Town Officer and employee to furnish to the Board forthwith, upon its request, all data needed for the completion of this record, and such personnel records and reports as the Personnel Board may require.

The Personnel Board shall from time to time establish procedures for the maintenance of said records. All said records shall be confidential and the release of information from such shall be solely within the discretion of the Personnel Board.

8. SEVERENCE CLAUSE

The provisions of this Article are hereby declared to be severable, and if any provision, or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional, such shall not be construed to affect the validity, legality or constitutionality of any of the

remaining provisions or the application of said Article to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

The foregoing has been endorsed and approved by the members of the Personnel Board of Norwell whose names are as below shown.

ARTICLE 68

To see if the Town will give instructions to its Elected Town Officers.

SALE OF FISH RIGHTS

SUBSEQUENT MEETING FOR THE ELECTION OF OFFICERS

SATURDAY, MARCH 13, 1971

POLLS OPEN 12:00 NOON to 8:00 P.M.

And you are further directed to notify all legal voters to assemble at the Senior High School, Main Street, on Saturday, March 13, 1971 during the polling hours, then and there to act upon the following:

"To bring to the Election Officers, their votes, all on one ballot for the following named officers to wit: one member of the Board of Selectmen for three years; one member of the Board of Assessors for three years; one Moderator for one year; one member of the Board of Health for three years; one member of the Board of Water Commissioners for three years; one Highway Surveyor for one year; one Tree Warden for one year; one member of the Board of Trustees of the William J. Leonard Memorial Library for three years; one Town Collector for three years; one member of the Planning Board for five years; two members of the School Committee for three years; and one Town Treasurer for three years."

QUESTION

Acceptance of General Laws, Chapter 32B, Section 7A .

"Shall the town, in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees in service of the town and their dependents, pay a subsidiary or additional rate?"

Yes
No

You are hereby required to notify and warn said inhabitants of Norwell qualified to vote in town affairs, in case all the articles in the foregoing Warrant shall not be acted upon at the meeting called for the eighth day of March, 1971 to meet in adjourned session at the Senior High School, Tuesday, the ninth day of March, 1971, Thursday, the eleventh day of March, 1971, and Friday, the twelfth day of March, 1971, at 7:30 P.M. in the afternoon and there to act upon such of the foregoing articles as shall not have been acted upon on March eighth, 1971, or act upon such other articles in said Warrant as the meeting may deem advisable.

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing, at each of five public places in the Town, seven days at least before the time for holding the meeting called for in the Warrant. Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the eighth day of March 1971.

Given under our hands at Norwell this twenty-second day of February in the year of our Lord 1971.

John Petze, Chairman
James P. Hall
Charles W. Bayley, Jr.
BOARD OF SELECTMEN

RECORD OF THE ANNUAL TOWN MEETING – TOWN OF NORWELL MARCH 8, 1971

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met at the Senior High School on Monday, March 8, 1971, with 691 voters checked in when the meeting was opened at 7:30 P. M. by the Moderator, David Lee Turner. The total number of voters checked in was 731.

The Moderator opened the meeting and appointed the following as tellers and swore them in: George Whitcher, George Gregory, Carl Morris, James Jenkins, Robert Leavitt and Leonard Marsden.

Mr. Whitcher was appointed and sworn to be in charge of the overflow voters seated in the gymnasium. He appointed and swore as tellers for that assembly the following: Robert Maglathlin, Warren Shaw, Betty Reardon and Paul MacDonald.

The invocation was given by Rev. Gerard J. McGann, of the St. Helen's Roman Catholic Church.

It was voted to omit the reading of the Warrant until taken up for action,

and to file a copy of the Warrant with the record of the meeting. The Town Clerk read the Return of Service by the Constable, Harland W. Farrar.

State Senator Allan R. McKinnon was present and introduced by the Moderator and spoke to the assembly briefly.

ARTICLE 1

Voted that the Town accept the reports of its Officers, Boards, Departments, Committees and Commissions, as printed in the 1970 Annual Report; with the notation that in the Town Clerk's report on Page 109, there was an error in transcription on the results of the election of the Trustee of the William J. Leonard Memorial Library. It should have read:

Claire Foulsham	675
Blanks	141
Total	816

ARTICLE 2

Voted that the Town raise and appropriate the sums of money as indicated in the Recommended column of the Transcript of Articles in the Warrant and Budget for 1971 for the Town of Norwell, and for the purposes as noted therein for all items in Article 2, excepting items numbered 5, 7, 9, 10, 11, 13, 15, 17, 18, 22, 24, 26, 27, 28, 44, 46, 47, 48, 49, 50, 51, 52, 55, 61, 64, 74, 75, 79, 82, 84, 89, 93A, 101, 116, 118, 119, 121, 122, 123 and 124; and to consider those items in Article 2 listed above and excepted hereunder, individually. It was voted that all items under Article 2 be retroactive to January 1, 1971.

ITEM 123 – VOTED that the Town raise and appropriate the sum of \$10,000.00, Water Services, Water Department.

ITEM 124 — VOTED that the Town raise and appropriate the sum of \$32,918.00, Expenses, Water Department.

It was VOTED that all items under Article 2 be retroactive to January 1, 1971.

Motion to reconsider Article 2, Item 52, Out-of-State Travel, Police Department, was defeated.

ARTICLE 3

VOTED to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971, and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 4

VOTED to appropriate and transfer the 1970 County Dog Tax Refund, in the amount of \$1,767.97, to the School Department General Education Expenses Account.

ARTICLE 5

Motion made, seconded and voted:

"Whereas, there exists in the Town of Norwell a shortage of safe, sanitary and adequate dwellings available for elderly persons of low income at rentals which they can afford:

WHEREAS, it is hereby determined that a Housing Authority is needed for the provisions of housing for elderly persons of low income;

NOW, THEREFORE, it is hereby voted that the Norwell Housing Authority shall be organized and established under and in accordance with the provisions of General Laws, Chapter 121 B, as amended."

ARTICLE 6

VOTED that the Town raise and appropriate the sum of \$270,000 for the purpose of maintaining during the ensuing year, the Mosquito Control Works, as estimated and certified by the State Reclamation Board, in accordance with the provisions of Chapter 112, Acts of 1931.

ARTICLE 7

VOTED that the Town authorize the Town Accountant to close out the unexpended balances in the following accounts:

- A. Fire Department Chief's Car Account, established under Article 15 in the March 9, 1970 Meeting — \$146.84.
- B. Emergency Communications Radio Account, established under Article 14 in the March 9, 1970 Meeting — \$50.00.
- C. Tree Warden Brush Chipper Account, established under Article 16 in the June 29, 1970 Meeting — \$20.00.
- D. Little League Field Account, established under Article 26 in the June 13, 1968 Meeting — \$7.83.
- E. 1965 Elementary School Site Committee Account, established under Article 57 in the March 8, 1965 Meeting — \$323.00.
- F. Highway — New Truck Chassis Account, established under Article 12 in the March 9, 1970 Meeting — \$387.40.
- G. Highway — Alterations (Intersection Pine and Circuit Streets) Account, established under Article 3 in the December 1, 1969 Meeting — \$3.40.

to be added to the 1971 Excess and Deficiency Account.

ARTICLE 8

VOTED UNANIMOUSLY that the Town appropriate funds for the payment of the following unpaid bills:

- A. Raise and appropriate \$177.00, to be added to the Dog Officer's Salary/Expenses Account, for the payment of salaries and expenses due E. Clarence Joseph and Robert Molla, Sr.
- B. Raise and appropriate \$224.00, to be added to the Town Dump — Salary/Expenses Account, to pay for bulldozing services rendered by Lou Brouillard, Jr.
- C. Appropriate and transfer \$6,721.61 from the Water Department — New Standpipe Account, established under Article 41 in the March 8, 1965 Meeting, to be added to the Water Department Expenses Account for the payment of pipe purchases from HILCO, Inc.

- D. Raise and appropriate \$462.25, to be added to the Planning Board Account, for the payment of professional services by Briggs Testing Company.
- E. Raise and appropriate \$494.63, to be added to the Emergency Communications Center Expenses Account, for the payment of stationers expenses due Thorp & Martin and New England Telephone Company.

ARTICLE 9

VOTED UNANIMOUSLY that the Town appropriate and transfer from free cash the sum of \$40.00 to be expended under the direction of the Board of Selectmen, for the payment of an unpaid Hospital Bill, for services rendered in February and March, 1968, in accordance with General Laws, Chapter 117, Section 24A.

ARTICLE 10

Motion made that the Town raise and appropriate the sum of \$1,500.00 to be expended under the direction of the Board of Selectmen, to provide a suitable memorial to those men and women of Norwell who served their country in the Armed Forces during the Second World War and the Korean conflict. Amendment: that the town raise and appropriate the sum of \$200.00, to be expended under the direction of the Board of Selectmen, for the purchase of a memorial plaque to include a list of the names of those men and women of Norwell who gave their lives in the defense of this country during World War II and the Korean Conflict, and that a list of all men and women of the Town who served in the Armed Forces of the United States during World War II and the Korean Conflict be published in the 1971 Annual Town Report. The Amendment was defeated. The Article failed to carry.

ARTICLE 11

VOTED UNANIMOUSLY that the Town authorize the Board of Selectmen to convey lot numbered 120, shown on a plan entitled: "JACOBS LAKE SHORES NORWELL MASS." by Ernest W. Branch, Inc., C. E., dated March 11, 1939, recorded with Plymouth Registry of Deeds in Plan Book 5, page 934, bounded, according to said plan as follows:

NORTHERLY	by land of Henry Hayward, 87.81 feet;
WESTERLY	by lot 121, 121.80 feet;
SOUTHERLY	by Leigh Road, 47.85 feet;
EASTERLY	by lot 119, 132.31 feet;

or however otherwise bounded and described to, to Raymond T. McKeever and Elaine P. McKeever, for the sum of Two Hundred (200.00) Dollars.

ARTICLE 12

VOTED that the Town amend Article VII, entitled: "Contracts", of the Town By-Laws by deleting in Section 1, the sum of \$500.00, and by substituting in place thereof the sum of \$1,000.00, and by deleting in Section 4, the sum of \$1,000.00, and by substituting thereof the sum of \$2,000.00.

ARTICLE 13

VOTED UNANIMOUSLY that the Town accept a portion of Till Rock Lane as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation.

ARTICLE 14

It was VOTED to indefinitely postpone action on Article 14. Under Article 68, Instructions to Elected Town Officials, to instruct the Selectmen to call a Special Town Meeting for April 8, 1971 for this article.

ARTICLE 15

Motion was made, as printed in the Warrant. An amendment was made to make the terms for five years, 1 to be appointed the first year, 2 to be appointed the second year, 1 the following year, and 2 for any years thereafter, and the Board of Selectmen to designate first, second, third, fourth and fifth year members. This amendment was defeated.

VOTED to amend Article VI of the Town By-Law entitled: "Appointed Town Officers", by adding to Section 1, "Permanent Building and Maintenance Committee", and by adding at the end of Article VI the following:

"Permanent Building and Maintenance Committee"

SECTION 1. There shall be a Permanent Building and Maintenance Committee which shall be responsible for the construction, reconstruction and alteration of all Town buildings and structures. The Committee shall be appointed by the Board of Selectmen, shall consist of seven (7) residents of the Town and shall be appointed for three year terms as follows: two shall be appointed the first year, two shall be appointed the next year and three shall be appointed the following year. Vacancies shall be filled by the Board of Selectmen for the remaining portion of an unexpired term. The members of the Committee on the date this

provision is effective shall be designated first, second and third year members by the Board of Selectmen and shall be subject to reappointment or replacement upon the expiration of their terms.

SECTION 2. The Permanent Building and Maintenance Committee shall organize by choosing a Chairman and a Secretary.

SECTION 3. The Permanent Building and Maintenance Committee shall review the condition, upkeep, maintenance and repair of all Town owned buildings at reasonable intervals and shall report their findings and recommendations to the Board of Selectmen in writing."

ARTICLE 16

VOTED that the Town appropriate and transfer from free cash the sum of \$5,500.00 and raise and appropriate the sum of \$15,125.00, in anticipation of partial reimbursement by the Commonwealth of Massachusetts, for Chapter 81 maintenance work on the Highways.

ARTICLE 17

Motion made, but defeated, to appropriate and transfer from free cash the sum of \$7,250.00, and to raise and appropriate the sum of \$21,750.00, for and in anticipation of a partial reimbursement by the Commonwealth of Massachusetts and the County of Plymouth, for Chapter 90 reconstruction on Norwell Avenue.

ARTICLE 18

VOTED that the Town raise and appropriate the sum of \$26,000.00, to be expended under the direction of the Highway Surveyor, for the resurfacing of sections of Grove Street, River Street, Old Oaken Bucket Road, Circuit Street and Main Street.

ARTICLE 19

VOTED that the Town appropriate and transfer \$1,908.46 from the Highway-Road Machinery Account; appropriate and transfer \$4,862.00 from the Highway-Front-end Loader Account, established under Article 10 in the October 29, 1970 Meeting; and raise and appropriate \$229.54, all to be expended under the direction of the Highway Surveyor, for the purchase of a new four-wheel drive Pick-up Truck, complete with snow plow and two-way radio for the Highway Department.

ARTICLE 20

VOTED to indefinitely postpone action on Article 20.

ARTICLE 21

VOTED to indefinitely postpone action on Article 21.

ARTICLE 22

VOTED UNANIMOUSLY to accept the alteration and relocation of a portion of Winter Street, as altered, relocated and laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office and to authorize the Selectmen to acquire, in fee simple, by purchase, gift, or taking by eminent domain, the land shown on the plan entitled "ALTERATION AND RELOCATION OF A PORTION OF WINTER STREET NORWELL", dated January 20, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, and to raise and appropriate, therefore, and all expenses in connection therewith, the sum of \$6,850.00.

ARTICLE 23

VOTED to indefinitely postpone action on Article 23.

ARTICLE 24

VOTED UNANIMOUSLY that the Town raise and appropriate the sum of \$35,000.00, for use by the Permanent Drainage Committee to accomplish the design, specifications and construction of the most needed drainage projects within this sum.

ARTICLE 25

VOTED that the Town raise and appropriate the sum of \$30,000.00 for the use of the Permanent Drainage Committee to prepare a Master Drainage Plan for the Town of Norwell.

ARTICLE 26

Motion made that the Town adopt an official map, prepared under the direction of the Planning Board, a copy of which has been filed with the Town Clerk's Office and which is incorporated herein by reference. The motion failed to carry.

ARTICLE 27

VOTED that Article 27 be indefinitely postponed.

ARTICLE 28

VOTED that the Town raise and appropriate the sum of \$2,500.00 to be expended under the direction of the Board of Selectmen, for designing and planning the relocation and alteration of Town Ways.

ARTICLE 29

VOTED that the Town raise and appropriate the sum of \$8,500.00 to be expended under the direction of the Board of Health, for the preparation and conversion of present dump site to a sanitary landfill operation.

ARTICLE 30

VOTED that the Town raise and appropriate the sum of \$33,000.00, to be expended under the direction of the Board of Health for the purchase of heavy duty equipment for use at the Town Dump.

ARTICLE 31

VOTED that the Town raise and appropriate the sum of \$10,000.00 to be expended under the direction of the Board of Health, for operation of a sanitary landfill at the Town Dump.

VOTED to adjourn at 10:55 P. M. to Thursday, March 11 at 7:30 P. M.

Town Clerk

**RECORD OF ADJOURNED ANNUAL TOWN MEETING
MARCH 11, 1971**

The qualified voters of the Town of Norwell met on Thursday, March 11, 1971 for the third session of the Annual Town Meeting, with 449 present when the meeting opened at 7:30 P. M. A Total of 484 voters were checked in.

ARTICLE 17

It was voted to re-consider action on Article 17.

VOTED that the Town appropriate and transfer \$7,250.00 from free cash

and raise and appropriate \$21,750.00 in anticipation of a partial reimbursement by the Commonwealth of Massachusetts and the County of Plymouth, for Chapter 90 work on highways, excluding any and all work on Norwell Avenue.

ARTICLE 32

Article 32 was unanimously defeated. (Board of Health and Public Grounds building.)

Announcement was made that the Board of Selectmen had voted to hold a Special Town Meeting on Wednesday, April 7. The Warrant for the special town meeting will close on Monday, March 15, for the receipt of articles for this special town meeting.

ARTICLE 33

VOTED to indefinitely postpone action on Article 33.

ARTICLE 34

VOTED UNANIMOUSLY that the Town raise and appropriate the sum of \$10,000.00 to be expended under the direction of the Tree Warden, for the purchase of a new Dump Truck to replace the one now in use.

ARTICLE 35

VOTED that action under Article 35 be indefinitely postponed.

ARTICLE 36

VOTED UNANIMOUSLY that the Town instruct the Board of Selectmen to submit legislation to the General Court which provides that upon acceptance by the Town of Norwell the Office of Lands and Natural Resources, either previously established or to be established, shall be filled by election, at and as a part of the Annual Town Election, for a term of three years.

ARTICLE 37

VOTED UNANIMOUSLY that the Town appropriate and transfer \$5,500.00 from the Wetlands Study Committee Account, established under Article 53 in the March 13, 1967 Meeting, and raise and appropriate \$4,500.00 to be added to the Conservation Fund, under the provisions of General Laws, Chapter 40, Section 5, as amended and Section 8C as amended.

ARTICLE 38

VOTED UNANIMOUSLY that the Town establish, designate, place and transfer control of the Town owned land located on the Westerly side of Jacobs Lane, consisting of approximately 80 acres, shown in part on Page R-13 of the Atlas of the Town of Norwell, on file in the Town Assessors' Office, including 218 acre parcel, shown as parcel number 9 on Sheet R-13 of said Atlas, as Conservation land to become a part of the property under the management and direction and control of the Conservation Commission of the Town off Norwell, in order to protect the natural resources and the watershed resources of the Town of Norwell.

An amendment "to exclude the parcel of town owned land described in Article 57, library site for Town of Norwell, containing approximately 2.8 acres" was defeated.

ARTICLE 39

VOTED that the Town raise and appropriate the sum of \$8,000.00, to be expended under the direction of the Board of Fire Engineers, for the purchase of and equipment for a new or reconditioned ladder truck for use by the Fire Department.

ARTICLE 40

Article 40 was unanimously defeated. (Fire station, Pine Street)

ARTICLE 41

VOTED UNANIMOUSLY that the Town authorize and direct the Board of Water Commissioners to acquire, in fee simple, by purchase or by a taking by eminent domain, for purposes of public water supply and for the protection of the Norwell water system, a parcel of land containing approximately 16 acres located off Bowker Street, and being contiguous to the land shown on a plan entitled: "PLAN OF LAND IN NORWELL FOR DEVELOPMENT OF WATER SUPPLY TOWN OF NORWELL", dated: February 13, 1968, by Loring H. Jacobs, Registered Land Surveyor, a copy of which is on file in the Town Clerk's office, and shown on a plan entitled: "PLAN OF LAND IN NORWELL FOR DEVELOPMENT OF WATER SUPPLY TOWN OF NORWELL", dated: September 15, 1970, by Loring H. Jacobs and Associates, Inc., and to raise and appropriate therefore, and all expenses in connection therewith, \$1,000.00.

ARTICLE 42

Article 42 was defeated unanimously. (Easement Judge's Hill)

ARTICLE 43

VOTED that the Town raise and appropriate the sum of \$7,000.00 to be expended by the Board of Water Commissioners, for the purchase of an air compressor, air jack, hammer, cutting and tamping tools and air hose for the use of the Water Department.

ARTICLE 44

VOTED that action on Article 44 be indefinitely postponed.

ARTICLE 45

VOTED that action on Article 45 be indefinitely postponed.

ARTICLE 46

VOTED, 310 yes, 22 no, that the Town appropriate \$20,000.00, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six but less than sixteen inches in diameter, in Stetson Road, from the end of the existing main to the Southeast Expressway (Route 3) and under the Expressway to Stetson Shrine Lane, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$20,000.00, under General Laws, Chapter 44, as amended.

ARTICLE 47

VOTED that action on Article 47 be indefinitely postponed.

ARTICLE 48

VOTED UNANIMOUSLY that the Town appropriate \$45,000.00 for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Summer Street, from the end of the existing main in Summer Street, for a distance of approximately 6,300 feet, to the Town line, and to meet the appropriation the following be appropriated and transferred:

\$4.51 from the 1967 Pumping Tests Account (Art. 57 - March 13, 1967)
\$3,712.43 from the 1969 Pumping Tests Account (Art. 38 - March 10, 1969)
\$928.81 from the Storage Tank Repairs Account (Art. 35 - March 10, 1969)
\$2,900.00 from the Pick-up Truck Account (Art. 39 - March 9, 1970)
\$160.41 from the Judge's Hill Mains Account (Art. 26 - March 11, 1968)
.48 from the Pine Street Mains Account (Art. 27 - March 11, 1968)

\$199.44 from the Professional Engineers Account (Art. 38 - March 14, 1966)
\$1,081.90 from the West Street Mains Account (Art. 40 - March 10, 1969)

the Town raise and appropriate \$1,012.02 and the Town authorize the Treasurer, with the approval of the Board of Selectmen to borrow \$35,000.00 under General Laws, Chapter 44, as amended.

ARTICLE 49

VOTED that action of Article 49 be indefinitely postponed.

ARTICLE 50

VOTED that action on Article 50 be indefinitely postponed.

ARTICLE 51

VOTED that action on Article 51 be indefinitely postponed.

ARTICLE 52

Motion made that the Town authorize the Selectmen to negotiate the lease of a parcel of Town-owned land described on the Town's Assessors' Map Sheet 7 as parcel No. 35 - Lot 24, containing approximately 10 acres, located off Prospect Street, to the Norwell Youth Hockey, Inc., for the purpose of establishing a site for a public hockey facility in the Town of Norwell.

An amendment was made: "said lease to be subject to the acquisition of proper access to said land and further to a satisfactory resolution of the interpretation of Paragraph E, Section 4 of the by-laws of the Town of Norwell."

The amendment was VOTED: the main motion, as amended, was VOTED.

ARTICLE 53

Article 53 was VOTED 143 yes, 187 no. Since a 2/3 vote was required, this failed to carry.

ARTICLE 54

VOTED that action on Article 54 be indefinitely postponed.

ARTICLE 55

VOTED that action on Article 55 be indefinitely postponed.

ARTICLE 56

Article 56 was unanimously defeated. ARTICLE 57

ARTICLE 57

VOTED that action on Article 57 be indefinitely postponed.

ARTICLE 58

VOTED that action on Article 58 be indefinitely postponed.

VOTED to adjourn, at 12:05 A. M. to Friday, March 12 at 7:30 P. M.

Town Clerk

**RECORD OF THE ADJOURNED ANNUAL TOWN MEETING
MARCH 12, 1971**

The fourth and final session of the Annual Town Meeting was held March 12, 1971, with Moderator David Lee Turner opening the meeting at 7:30 P. M. 433 voters were checked in.

It was VOTED to re-consider action on Article 48.

ARTICLE 48

VOTED UNANIMOUSLY that the Town appropriate \$45,000.00 for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Summer Street, from the end of the existing main in Summer Street, for a distance of approximately 6,300 feet, to the Town Line; and the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$45,000.00 under General Laws, Chapter 44, as amended.

ARTICLE 59

VOTED, 351 yes, 40 no, (secret ballot as required by town by-laws) that the Town authorize and direct the Board of Selectmen, to acquire, in fee simple, by purchase or by a taking by eminent domain, for the purposes of a Municipal Golf Course, two parcels of land containing 144 acres, located on the northerly side of the Southeast Expressway, on the easterly side of Stetson Shrine Lane; on the southerly side of Shrine Lane and on the westerly side of the North River; shown on a plan entitled: "Compiled Plan of Land in Norwell", dated: September 2, 1970, by Loring H. Jacobs and Associates, Inc., a copy of which is

on file in the Town Clerk's office, which plan is incorporated herein by reference; and appropriating therefore, and all expenses in connection therewith, the sum of \$250,000.00, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$240,000.00, under General Laws, Chapter 44, as amended, and raise and appropriate \$10,000.00.

Tellers were George Gregory, John Lindsay, Leonard Marsden and James Jenkins.

ARTICLE 60

VOTED that the Town discharge the present Golf Course Study Committee and instruct the Moderator to appoint a new committee, to consist of 7 residents of the Town, to be called the Golf Course Committee, and to authorize and direct the new committee to prepare preliminary plans and estimates for the construction of a municipal golf course and to raise and appropriate the sum of \$5,000.00 for committee expenses and engineering fees.

Motion made to reconsider Articles 53 through 58 was defeated, 196 no, 174 yes.

ARTICLE 61

Article 61 failed to carry. Motion made: that the Town amend its Zoning By-Law and so note on its Zoning Map by changing from "Residential District A" to "Business District C" the following described parcel of land:

That certain parcel of land situated on the SOUTHWESTERLY side of the Southeast Expressway in the Town of Norwell, Plymouth County, Massachusetts, bounded and described as follows:

NORTHWESTERLY	By the Southeast Expressway, 770.0 feet, more or less,
EASTERLY	By land now or formerly of Bunnell, 518.0 feet, more or less
SOUTHERLY EASTERLY	and Again by land, now or formerly, of Bunnell by two courses, 208.37 feet, and 33.00 feet, more or less;
SOUTHWESTERLY	By the center line of Third Herring Brook and the Hanover Norwell Town Line about 1,300. feet;

Said parcel is more particularly shown and described on a plan prepared by

Bradford Saivetz & Associates, Inc., of Braintree, Massachusetts, dated January 1, 1971, a copy of which is filed with this Article.

The Planning Board made an oral report and also filed a written report on this article, stating that a hearing had been held on March 3, 1971, which had been advertised twice in a newspaper. The Board had been recorded as 1 in favor, 1 against, and 1 abstained. On the Town meeting floor, 1 other member was in favor and 1 against the zoning by-law change. The counted vote was 205 yes, 177 no.

ARTICLE 62

VOTED to indefinitely postpone action on Article 62.

ARTICLE 63

VOTED that the Town raise and appropriate the sum of \$36,000.00 to be expended under the direction of the Board of Assessors, for an expert appraisal of taxable real estate.

ARTICLE 64

VOTED that the Town raise and appropriate the sum of \$2,318.40 to be expended under the direction of the Board of Selectmen, for the leasing of 15 voting machines.

ARTICLE 65

Moved that the Town raise and appropriate the sum of \$210,000.00, to be added to the Stabilization Fund, as provided by General Laws, Chapter 40, Section 5 B.

An amendment was made to raise and appropriate the sum of \$100,000.00.

The amendment failed to carry.

The main motion was voted.

ARTICLE 66

VOTED that action on Article 66 be indefinitely postponed.

ARTICLE 67

Article 67 as printed in the Warrant was moved. An amendment to Section 2 "PERSONS COVERED" in the second line, were to be inserted after popular vote "those persons under the control of the School Committee". The amendment was voted. The main motion as amended was voted.

ARTICLE 68

INSTRUCTIONS TO TOWN OFFICERS

VOTED that the Board of Selectmen be instructed to appoint a seven member special study commission consisting of one member of the Advisory Board, one member of the Board of Fire Engineers, one member of the Police Department, one member of the Personnel Board, the Civil Defense Director and two members from the town at large, to report to the Town at the next special town meeting on the advisability of including the Emergency Communications Center within the new Police Station prior to 1972. The Advisory Board suggested deferred action. The membership was corrected to 3 members at large and the time limit was changed to the next Annual Meeting.

VOTED that the Selectmen urge all committee who negotiate salaries to be paid from town funds to keep non-merit salary increases to a rate below the annual cost of living increase as established by the Dept. of Labor Statistics.

VOTED that the Board of Selectmen be instructed that the Town By-Laws be amended to the effect that no permit shall be issued for the purpose of removing gravel, fill, loam, sand and all road building material outside the Town of Norwell's boundaries.

SALE OF FISH RIGHTS

The Moderator auctioned off Fish Rights No. 1 to Richard K. McMullan who bid \$10.00; and to Wayland Bailey No. 2 for \$5.00.

Motion was made to reconsider Items 99 and 100 under Article 2. Failed to carry.

Voted to adjourn at 11:15 P.M. the business of the warrant having been completed.

Nellie G. Tarr
Town Clerk

TOWN BY-LAWS Voted Adjourned Annual Town Meeting, March 12, 1971

ARTICLE XX - NORWELL PERSONNEL PLAN

1. TITLE

The provisions of this By-Law and, any subsequent changes, and/or addendums thereto (i.e., Job Classifications and Pay Ranges), shall be the Norwell Personnel Plan (hereinafter referred to as the Plan) for all Town employees in positions except for employees exempt in Section 2.

2. PERSONS COVERED

The Plan shall apply to all persons compensated by the Town with the exception of those persons elected by popular vote, those persons under the control of the School Committee, those persons under the control of the Trustees of the Wm. J. Leonard Memorial Library, and those persons represented by recognized bargaining agents.

Regular Full-Time Employees are persons who are regularly scheduled and work a minimum number of hours per week for each week throughout the year as specified in Section 6a of the Plan.

Regular Part-Time Employees are persons who work less than the applicable minimum hours per week as specified in Section 6a of the Plan, but are employed for and work a designated number of hours per week for each week throughout the year.

Intermittent Employees are persons who work on an irregular or non-scheduled basis as determined by the work load in the Department throughout the year.

Seasonal Employees are persons who are employed for specific periods of increased work loads as determined by climatic conditions, e.g., moderate weather for road repairs, etc.

Emergency Employees are persons who are employed only for the duration of an actual emergency situation.

4. TITLES OF POSITIONS

The job titles and classifications of positions for covered employees of the Town will remain unchanged but shall be reviewed by the Personnel Board for the purpose of classification in the establishment of a compensation plan. Said compensation plan may be made effective upon the acceptance of such by vote of the Town at a duly convened Town meeting.

5. EFFECTIVE DATE

This Plan shall be operative on the first Monday of the month next following the acceptance of same by vote of the Town.

6. CONDITIONS OF EMPLOYMENT

The Following subsections embody those policies governing the conditions of employment for covered Town employees, the interpretation of such policies being the responsibility of the Personnel Board.

A. Hours of Work

Regular full-time employees of the Town will be scheduled to work a minimum number of hours as outlined below, so as to retain said status:

clerical employees	35 hours per week
Administration & Supervisory	as required
all others	40 hours per week

B. Vacations

Vacations shall be granted in accordance with Article XVIII of the Town By-Laws, said Article being incorporated in this plan without change but to include the following provisions:

Employees of the Town in other than a regular full or part-time capacity, as defined by the Plan, are not eligible for paid vacations.

Upon the termination of a Town Employee pro-rata payment shall be made for unused vacation time, provided the employee terminates in good standing. Good standing, for the purposes of this paragraph shall mean, that, the employee has submitted to the Department Head and the Personnel Board, adequate written notice of intent to terminate. Such notice shall be deemed adequate if equivalent to the length of the annual vacation leave. In any case, a minimum of two week's notice of intent to terminate is required. The amount of the payment shall be determined by the Personnel Board and be computed in accord with the basic provisions of the incorporated Vacation Article and any applicable provisions of the Plan.

Upon the death of an employee eligible for vacation leave, payment shall be made to the estate of the deceased of heirs. The amount of the payment shall be determined by the Personnel Board or be computed in accord with the basic provisions of the incorporated Vacation Article and any applicable provisions of the Plan.

C. Sick Pay

All regular full-time or regular part-time employees (on a pro-rate basis) shall be eligible to receive time off with pay in the event of a bona fide personal sickness or non-service connected injury. All other employees are not eligible for sick pay.

Sick leave will be in the amount of one day per month or 12 days per calendar year. Unused sick time will accumulate from year to year to a maximum of 120 days. An eligible employee must have completed a minimum of six months continuous service to be eligible for any sick leave.

Sick leave with pay may be granted or denied within the discretion of the Department Head based upon his determination that absence was occasioned by illness. An employee may be required to submit a doctor's certificate to his department head after three (3) consecutive days of sickness or injury leave, and the department head will forward said certificate to the Personnel Board for its records.

Injury or illness resulting from the use of alcohol or drugs shall not be considered a proper claim for sick leave.

No payments shall be made under this section to an employee whose absence is occasioned by a work connected injury. Payments for absences for a work connected injury will be made in accordance with the statutory requirements of the Workman's Compensation Law.

D. Bereavement Leave

Regular full and part-time employees may have up to three consecutive calendar days off, without loss of pay, in the event of a death in the immediate family of said employee. The immediate family as contemplated by this section shall be limited to and include, wife, husband, mother, father, child, brother, sister, mother-in-law, and father-in-law.

E. Military Leave

Regular full and part-time employees with more than six months continuous service to the Town prior to the commencement of the service herein referred to, who are called for temporary summer or like period of training in the military forces of the Nation or Commonwealth shall be paid regular pay less military pay for military leave, not exceeding two weeks per year. In no instance may vacation leave be substituted for such paid military leave time. The employee, however, may elect to take vacation leave for any military leave period which otherwise would be unpaid, to the extent eligible for such vacation leave.

F. Holidays

Regular full and part-time employees shall be granted the following ten paid holidays each year:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Patriot's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

Holidays falling on a Sunday shall be celebrated on the following day, Monday; holidays falling on Saturday shall be celebrated on the preceeding day, Friday.

Non-salaried employees of the Town who are eligible for holiday pay, that are required to work on any holiday, shall receive their regular straight time hourly rate for all hours worked, in addition to their holiday pay (except as provided in Paragraph H of this section). Salaried employees who are required to work on a holiday shall receive no additional compensation for such work other than holiday pay, but shall receive equivalent time off within the four-week period immediately preceeding or following said holiday as may be scheduled by the department head. Regular full and part-time members of the police and fire departments shall be considered salaried for the purposes of this section.

No seasonal, intermittent nor temporary employee is eligible for holiday pay, as such.

Holiday pay may be denied by a department head for employees who are absent from work without prior approval or or justifiable cause on the scheduled day or work preceding or following a holiday.

G. Leave of Absence

A leave of absence occasioned by illness, injury, pregnancy, military duty or for any other reason deemed adequate by an employee's department head may be granted for a maximum of 90 days to any permanent full or part-time employee, who has been in continuous service for a period of one year.

Such requests for leave must be in writing and signed by the employee. The request is to be forwarded by the department head who has noted approval or disapproval to the Personnel Board for review and inclusion in the employee's record.

The request should state the date that the leave is to begin and the date upon which the employee is expected to return to work. Failure to return to work on the date noted shall serve to issue a letter by the Personnel Board indicating the termination of employment.

All approved leaves of absence shall so operate as to retain an employee's original date of employment, benefits and entitlements as if no break in service had occurred.

All extensions of leaves of absence or requests for leaves, which are in total more than 90 days, are to be requested in writing by the appropriate department head and approved by the Personnel Board. This policy shall not operate to cut off the rights and entitlements of any employee called for active military service. A leave of absence will be granted to said employee for the duration of his military service to the extent provided by the applicable Federal and State Law.

All leaves of absence as contemplated by this section shall be without compensation.

H. Special Payments

1. Shift Differential

All regular full or part-time employees regularly scheduled to work four or more hours between the hours of six P. M. and six A. M. shall be paid a premium for all hours worked on said day in addition to their regular straight time hourly rate. The amount of the premium shall be added to the base hourly rate for each such hour and shall be in the amount of 5% of the base hourly rate for said employee.

2. Overtime

Work performed by hourly employees in excess of eight hours per day, or 40 hours per week, shall be compensated at 1 - 1/2 times regular straight time hourly rate.

3. Occupational Sick Leave

Each employee, subject to Chapter 152 of the General Laws, pertaining to Workmen's Compensation, shall be entitled to the benefits of said chapter.

Each employee not covered by said Chapter 152, except firemen and policemen, who sustains injury or illness arising out of his employment in the town service, shall be entitled to receive his full pay for the period of his incapacity. If such period exceeds thirty (30) days, continued payment beyond such period shall be subject to approval by the Personnel Board, which may require periodic written medical testimony supporting the claim of continued incapacity as a condition precedent to its approval. Firemen and Policemen are covered under Chapter 41, S. 111F of the General Laws.

4. Section 6H4 – Recall Pay – An employee called to work during hours normally scheduled off shall be paid a minimum of two hours pay. Overtime rate will apply if qualified under Section 6H2.

RECORDS

A personnel record of each Town employee, including both elected and appointed employees, shall be kept by the Personnel Board. Said record shall contain all the vital statistics and other pertinent data of each such employee. It shall be the duty of each Town Officer and employee to furnish to the Board forthwith, upon its request, all data needed for the completion of this record, and such personnel records and reports as the Personnel Board may require.

The Personnel Board shall from time to time establish procedures for the maintenance of said records. All said records shall be confidential and the release of information from such shall be solely within the discretion of the Personnel Board.

8. SEVERANCE CLAUSE

The provisions of this Article are hereby declared to be severable, and if any provision, or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional, such shall not be construed to affect the validity, legality or constitutionality of any of the remaining provisions or the application of said Article to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

AUTHORIZED BORROWING

ARTICLE 3. Voted that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 46. Voted, 310 yes, 22 no, that the Town appropriate \$20,000.00, to be expended under the direction of the Board of Water Commissioners, for the laying and re-laying of water mains, of not less than six but less than sixteen inches in diameter, in Stetson Road, from the end of the existing main to the Southeast Expressway (Route 3) and under the Expressway to Stetson Shrine Lane, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$20,000.00, under General Laws, Chapter 44, as amended.

ARTICLE 48. Voted unanimously that the Town appropriate \$45,000.00 for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, in Summer Street, from the end of the existing main in Summer Street, for a distance of approximately 6,300 feet, to the Town line, and the Town authorize the Treasurer, with the approval of the Selectmen, to borrow \$45,000. under General Laws, Chapter 44, as amended.

ARTICLE 59. Voted 351 yes, 40 no, to authorize and direct the Board of Selectmen, to acquire, in fee simple, by purchase, or by taking by eminent domain, for the purposes of a municipal golf course, two parcels of land containing approximately 144 acres, located on the NORTHERLY side of the SOUTHEAST EXPRESSWAY; on the EASTERLY side of STETSON SHRINE LANE; the WESTERLY side of the North River and the SOUTHERLY side of SHRINE LANE; shown on a plan entitled: "COMPILED PLAN OF LAND IN NORWELL: Dated: September 2, 1970, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated therein by reference, and to appropriate therefore, and all expenses in connection therewith, the sum of \$250,000.00, and to meet the appropriation, the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$240,000.00 under General Laws, Chapter 44, as amended, and raise and appropriate \$10,000.

TOTAL BORROWING \$305,000.00

I hereby certify that the amounts herein contained were voted to be raised and appropriated, or appropriated and transferred, and authorized borrowing, all were voted at the Annual and Adjourned Annual Town Meetings, held March 8, 9, 11 and 12, 1971.

TOWN OF NORWELL

Record of the Annual Town Election

March 13, 1971

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met on Saturday, March 13, 1971 at the Senior High School to cast their votes for the elected officers of the Town.

Prior to the opening of the polls at 12 Noon, the ballot box was opened by the Constables, Theodore A. Baldwin and Harland W. Farrar, and examined by them and the Warden, Wilder A. Gaudette. After being found to be empty, it was locked, the register set at 0000, and the keys given into the custody of the Constables.

The Town Clerk swore in the following inspectors: Eleanor L. MacLeod, Julia F. Rosebach, June Lepisto, Mary Jane Clark, Mildred M. Carr, Eleanore F. Gay, Carmella Molla as Ballot Box Officer; Pauline Wilson, Norma Sletner, Jessie R. Bailey and Ann Golemme.

At 8:00 P.M., the Warden declared the polls closed. The voting lists - check-in and checkout, and the ballot box registered 1117 votes cast, including 17 absentee ballots.

The following tellers were sworn in by the Town Clerk, after the closing of the polls: Ann J. Valair, Shirley White, Phyllis S. Lindsay, Betty L. Long, Martha T. Fuller, Barbara Schow, Phyllis Yanarella, Emma S. Oronte, John D. Lindsay, Jean M. Lantz, Louis Edmonds, Claire E. Foulsham and George H. Croninshield.

In open meeting, the following tallies were made:

WARRANT FOR SPECIAL TOWN MEETING

Wednesday, April 7, 1971

At Seven-thirty O'clock in the Afternoon

At the Senior High School

Plymouth, s.s.

To one of the constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs, to meet at the Senior High School in said Norwell, on Wednesday the seventh day of April, 1971 at 7:30 P.M. then and there to act upon the following articles, to wit:

ARTICLE 1

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$10,000.00, or any other sum, to be added to the Highway Department Snow Removal and Sanding Account, or act on anything relative thereto.

Requested by the Highway Surveyor

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 2

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$5,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the purchase of a secondhand street sweeper for the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 3

To see if the Town will vote to appropriate the sum of \$5,000.00, or any other sum, for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, on the EASTERLY side of WASHINGTON STREET, from the end of an existing lateral near the NORTHERLY side of the Ridge Hill Fire Station lot, for a distance of approximately 700 feet towards the intersection of POND and WASHINGTON STREETS, and to determine whether the same shall be raised by taxation, provided by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 4

To see if the Town will vote to appropriate the sum of \$25,000.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a building, including the cost of original equipment and furnishings of said building, for use by the Department of Public Grounds for the purpose of maintaining athletic fields and other grounds of the new Norwell High School, said building to be appropriately located in an area to be determined by the Permanent Building and Maintenance Committee on the Main Street — South Street site of the new Senior High School, and to determine whether the appropriation shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 5

To see if the Town will vote to appropriate a sum of money to be expended under the direction of the Permanent Building and Maintenance Committee, to augment funds in the amount of \$6,270,000.00, voted under Article 6 at the Special Town Meeting held December 14, 1970, for the construction of a new, expandable, free standing 1000 pupil Senior High School building, including the cost of original equipment and furnishings of said building, to be located on the Main Street — South Street site, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing at each of five public places in the Town, seven days at least before the time for holding the meeting called for in the Warrant.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the seventh day of April, 1971.

Given under our hands at Norwell this Fifteenth day of March, in the Year of Our Lord, 1971.

James P. Hall, Chairman
John Petze
Charles W. Bayley, Jr.
Board of Selectmen

A true copy — Attest

Constable

Record of the Special Town Meeting April 7, 1971

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met at the Senior High School on Wednesday, April 7, 1971, with 230 voters checked in when the meeting opened at 7:45 P. M. by the Moderator, David Lee Turner. The total number of voters checked in during the evening was 392.

The Moderator opened the meeting, and led the assembly in the Pledge of Allegiance to the flag. He appointed the following tellers and swore them in:

George H. Whitcher, Jr., T. Curtis Power, Robert N. Maglathlin, Robert Palli and Orville Devine. George Whitcher served as head teller.

It was voted to omit the reading of the Warrant until taken up for action, and to file a copy of the Warrant with the record of the meeting. The Town Clerk read the return of service by the Constable, Theodore A. Baldwin.

ARTICLE 1

Voted to raise and appropriate the sum of \$10,000.00 to be added to the Highway Department Snow Removal and Sanding Account.

ARTICLE 2

Moved that the Town raise and appropriate the sum of \$5,000.00 to be expended under the direction of the Highway Surveyor, for the purchase of a second-hand street sweeper for the Highway Department. The Moderator declared that the Article had been defeated. The vote was questioned. The tally showed 148 yes, 145 no.

ARTICLE 3

Voted to transfer from the Water Department Pumping Station and Equipment Account (Art. 40, March 9, 1970 meeting) the sum of \$5,000.00, for the laying and relaying of water mains, of not less than six inches but less than sixteen inches in diameter, under the direction of the Board of Water Commissioners, on the EASTERLY side of WASHINGTON STREET, from the end of an existing lateral near the NORTHERLY side of the Ridge Hill Fire Station lot, for a distance of approximately 700 feet towards the intersection of POND and WASHINGTON STREETS.

ARTICLE 4

It was VOTED to lay Article 4 on the table until after discussion of Article 5.

ARTICLE 5

Moved that the Town appropriate \$845,000.00, to be expended under the direction of the Permanent Building and Maintenance Committee, to augment funds in the amount of \$6,270.00, voted under Article 6 at the Special Town Meeting held December 14, 1970, for the construction of a new, expandable,

free standing 1000 pupil Senior High School building, including the cost of original equipment and furnishings of said building and to provide said funds the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$845,000.00 under Chapter 645 of the Acts of 1948, as amended.

An amendment was made to add \$200,000.00 to the main motion, to include playing fields.

The amendment was VOTED.

The main motion, taken by secret ballot in accordance with the town by-law voted as Section 5 of Article IV on March 11, 1969, resulted in the following tally:

236	yes
137	no

Since a 2/3 vote was necessary for passage, the Moderator declared that the motion was not carried.

ARTICLE 4

It was VOTED to take Article 4 off the table. It was VOTED to indefinitely postpone action on Article 4.

The following instruction was moved: "that this meeting instruct the Permanent Building and Maintenance Committee to discharge T.A.C. and to retain an architect knowledgeable in the Systems Building Design and to return to a regular or special town meeting with a school designed to be built by Systems Construction methods and for this purpose be further instructed to use monies from the December 1970 Special Town Meeting appropriation for fees and expenses."

This instruction was defeated.

At 11:15 P. M., the business of the warrant having been completed, it was VOTED to adjourn.

TOWN OF NORWELL

Commonwealth of Massachusetts

WARRANT for Special Town Meeting

Wednesday, June 23, 1971

At Seven-thirty O'clock in the Afternoon

At the Senior High School

Plymouth, s. s.

To one of the constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs, to meet at the Senior High School in said Norwell, on Wednesday the twenty-third day of June, 1971 at 7:30 P.M., then and there to act upon the following articles, to wit:

ARTICLE 1

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, to be added to the amount of \$6,270,000. voted under Article 6 at the Special Town Meeting held December 14, 1970, for the construction of a new Senior High School Building, including the cost of original equipment and furnishings of said building, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 2

To see if the Town will vote to appropriate an additional sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Senior High School Building, including the cost of original equipment and furnishings of said building for the construction of additional athletic facilities for the project and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 3

To see if the Town will vote to appropriate an additional sum of money, to be expended under the direction of the Permanent Building and Maintenance

Committee, for the construction of a new Senior High School Building, including the cost of original equipment and furnishings of said building, for providing additional site development for the project, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation or by any combination of the foregoing, or act on anything relating thereto.

Requested by the Permanent Building & Maintenance Committee.

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 4

To see if the Town will vote to appropriate an additional sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Senior High School Building, including the cost of original equipment and furnishings of said building, for providing additional building space in the project, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation or by any combination of the foregoing, or to act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 5

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for the cost of architectural services for plans and specifications for a new Senior High School Building, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 6

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$25,000.00, or any other sum, to be expended under

the direction of the Permanent Building and Maintenance Committee, for the cost of an educational consultant to assist with the preparation of educational specifications for a new Senior High School Building Project, or act on anything relative thereto.

Requested by the Permanent Building & Maintenance Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 7

To see if the Town will vote to raise and appropriate, or appropriate from available funds, a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for the procurement of additional classroom space, or act on anything relative thereto.

Requested by the School Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 8

To see if the Town will vote to raise and appropriate, or appropriate from available funds, a sum of money, to be expended under the direction of the School Committee, for the necessary additional cost incurred by the utilization of an extended school day schedule at the Senior High School, or act on anything relative thereto.

Requested by the School Committee

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 9

To see if the Town will vote to raise and or appropriate from available funds, the sum of \$1,000.00, or any other sum, to be expended under the direction of the **Board of Selectmen, for the demolition and removal of the Town Hall Annex** and filling of the cellar hole, or act on anything relative thereto.

Requested by the Board of Selectmen

The Advisory Board will give its recommendation at the Town Meeting.

ARTICLE 10

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$3,287.56, or any other sum, to be expended under the direction of the Board of Selectmen, to be added to the new Senior High School Landtaking Account, or act on anything relative thereto.

Requested by the Board of Selectmen

The advisory Board will give its recommendation at the Town Meeting.

ARTICLE 11

To see if the Town will vote to raise and appropriate, or appropriate from available funds, a sum of money, to be expended under the direction of the Board of Health, for operation of the sanitary landfill at the Town Dump, or act on anything relative thereto.

Requested by the Board of Health

The Advisory Board will give its recommendation at the Town Meeting.

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing at each of five public places in the Town, seven days at least before the time for holding the meeting called for in the Warrant.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twenty-third day of June, 1971.

Given under our hands at Norwell this fourteenth day of June, in the Year of Our Lord, 1971.

James P. Hall, Chairman

John Petze

Charles W. Bayley, Jr.

Board of Selectmen

RECORD OF THE SPECIAL TOWN MEETING

JUNE 23, 1971

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met at the Senior High School on Wednesday, June 23, 1971 with 250 voters checked in when the meeting was opened at 7:30 P. M. by the Moderator, David Lee Turner. The total number of voters checked in was 871.

The Moderator appointed and swore in the following tellers: James T. King, head teller; Arthur J. Sewell, Robert J. Palli, T. Curtis Power,

George H. Whitcher, Jr., was appointed and sworn as the Deputy Moderator, in charge of the people seated in the gymnasium, which was equipped with microphones and connected to the main hall and the recording machine. Tellers appointed and sworn by him were: Leonard Marsden, Robert N. Maglathlin, Francis A. Aicardi and Donald R. Weaver.

It was voted to omit the reading of the Warrant until taken up for action, and to file a copy of the Warrant with the record of the meeting. The Town Clerk read the Return of Service by the Constable, Harland W. Farrar.

Voted to be admitted to the meeting, and allowed the privilege of the floor were Henry Goldman, Junior High; John Croley, Vinal School; Walter Kaetzer, Cole School and Richard C. Hamilton, former Superintendent and resident, who had moved out of Norwell.

ARTICLE 1

VOTED by secret ballot, in accordance with town by-law, 728 yes, 106 no, that the Town appropriate the sum of \$905,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Senior High School building, including the cost of original equipment and furnishings of said building, to be added to the amount of \$6,270,000.00 voted under Article 6 at the Special Town Meeting held December 4, 1970; and that to provide said sum the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$905,000.00 under Chapter 645 of the Acts of 1948, as amended, and that the Permanent Building and Maintenance Committee is authorized to take all other action which is necessary to carry out the project.

ARTICLE 2

VOTED, 598 yes, 31 no, that the Town appropriate the sum of \$190,000.00, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Senior High School building, including the cost of original equipment and furnishings of said building, to be added to all other sums appropriated for the project, for the construction of additional athletic facilities for the project, and that to provide said sum the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$190,000.00 under Chapter 645 of the Acts of 1948, as amended, and that the Permanent Building and Maintenance Committee is authorized to take all other action which is necessary to carry out the project.

An amendment in the amount of \$30,000.00 failed to carry.

ARTICLE 3

VOTED UNANIMOUSLY that the Town appropriate the sum of \$40,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Senior High School building, including the cost of original equipment and furnishings of said building, for providing additional site development for the project, to be added to all other sums appropriated for the project, and that to provide said sum the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$40,000.00 under Chapter 645 of the Acts of 1948, as amended, and that the Permanent Building and Maintenance Committee is authorized to take all other action which is necessary to carry out the project.

An amendment to raise the amount to \$90,000.00, and to add the words "or other facility as determined jointly by the Permanent Building and Maintenance Committee and the School Committee." The Moderator ruled this amendment out of order and that he could not accept it. A vote was taken as to the appeal from the Moderator's ruling, but it failed to carry.

ARTICLE 4

VOTED that action on Article 4 be indefinitely postponed.

ARTICLE 5

VOTED that action on Article 5 be indefinitely postponed.

ARTICLE 6

VOTED that action on Article 6 be indefinitely postponed.

ARTICLE 7

VOTED unanimously that the Town raise and appropriate \$7,200.00 to be expended under the direction of the School Committee, for the procurement of additional classroom space.

ARTICLE 8

VOTED UNANIMOUSLY that the Town raise and appropriate the sum of \$24,985.00, to be expended under the direction of the School Committee, and to be added to money provided in Article 2 (Education Budget – Subcategory 100 Instruction) of the 1971 Annual Town Meeting for the implementation of an extended school day at Norwell High School.

ARTICLE 9

VOTED UNANIMOUSLY that the Town raise and appropriate the sum of \$1,000.00 to be expended under the direction of the Board of Selectmen, for the demolition and removal of the Town Hall Annex and filling of the cellar hole.

ARTICLE 10

VOTED UNANIMOUSLY that the Town raise and appropriate the sum of \$3,287.56, to be expended under the direction of the Board of Selectmen, to be added to the New Senior High School Landtaking Account.

ARTICLE 11

VOTED that action under Article 11 be indefinitely postponed.

It was VOTED to adjourn the meeting, the business of the Warrant having been completed, at 10:10 P. M.

Attest:

Nellie G. Tarr
Town Clerk

APPROPRIATIONS AND AUTHORIZED BORROWINGS

Voted at Special Town Meeting, June 23, 1971: —

APPROPRIATIONS

Ronald W. Smith, 203 Central Street for Grand Juror - January 3, 1972 in Plymouth

Two for Criminal Session, January 3, 1971 in Plymouth: Allan K. Harner, 71 Trout Brook Lane, Irving T. Paylor, 132 Bowker Street.

Drawn Dec. 20, 1971:

Margaret E. Wilder, High Street for Civil session at Plymouth, February 7, 1972

ANNUAL REPORT OF THE NORWELL BOARD OF REGISTRARS

The Norwell Board of Registrars have added 461 new voters to the list of registered voters during the year 1971. New laws enacted made the privilege of being a registered voter available to persons 18 years of age through 20 years of age - whereas previously everyone was required to be 21 years of age before becoming a voter.

The Census taken for the Commonwealth of Massachusetts was supervised by the Board of Registrars and the figure certified to the Secretary of the Commonwealth was 8,249 residents, as of January 1, 1971.

The Board of Registrars are responsible also for the taking of the annual listing of all residents as of January 1st of every year. There are now 2,021

houses in Norwell, and every one of them must be visited, and information recorded of all inhabitants thereof, including pre-school children, persons in the Armed Forces or Peace Corps, college students who have a legal residence in our town. With the building of many new houses in the town, and the influx of new people into Norwell, and the exodus of former residents, it is a task of increasing importance and difficulty.

It is interesting to note that of the total of 461 new voters, 97 of them are 18 years of age; 45 are 19 years of age; and 36 are 20 years of age - for a total of 178 of our younger voters.

The registered voters are enrolled as follows:

543	Democrats
1086	Republicans
2237	Unenrolled.

Special sessions for voter registration were held prior to the Annual Town Meeting and Annual Town Election, as specified by law. There were evening sessions in each of the 3 weeks before the final date of registration on February 16, which was held until 10 P. M. There was also a Saturday registration on February 13, from noon until 2 P. M.

The Selectmen called a Special Town Meeting for April 7, 1971, and in accordance with Chapter 21, Section 29, the Registrars held a voter registration on April 2 from noon until 7 P. M.

Prior to the Special Town Meeting held on June 23, 1971, there was a Saturday registration session from 1 to 3 P. M. and the final date of registration was June 18 from 9 A. M. until 7 P. M.

These special sessions of voter registration are in addition to the hours when voters are registered at the Town Clerk's office during regular business hours.

NORWELL BOARD OF REGISTRARS

Ruth M. Murray, Chairman
Nellie G. Tarr, Clerk
Paul B. MacDonald
Martha A. Whitcher

REPORT OF THE GAS INSPECTOR

During the calendar year of 1971, ninety-nine applications were received for gas installations. Inspections of these installations were either made by Inspector George A. Beach or Alternate Inspector James F. Macdonald, Jr.

Respectfully submitted,

George A. Beach
Inspector of Gas Piping & Gas Appliances

REPORT OF THE INSPECTOR OF WIRES

During the calendar year of 1971, three hundred and twenty-nine applications were received for electrical installations. Permits were issued and inspections made of these installations by Inspector Raymond A. Hansen or Alternate Inspector J. Lee Turner.

Respectfully submitted,

Raymond A. Hansen
Inspector of Wires

REPORT OF THE BUILDING INSPECTOR

Board of Selectmen
Norwell, Massachusetts

Gentlemen:

The year 1971 showed a large increase in the number of building permits issued: there were sixty-nine more homes built in 1971 than in 1970. The increase in total number of permits was sixty-nine.

The Police Station, completed this past year, is an attractive complement to our Town's administrative buildings, and a necessary facility long needed in Norwell.

Construction of the new High School became a reality at the near end of the year, when bulldozers and chippers began clearing trees and land in preparation for the foundation phase to begin.

Building permits and inspections made are summarized as follows:

RESIDENTIAL

New Dwellings	149
Additions - Alterations	33
Garages	9
Stable	1
Swimming Pools	20

COMMERCIAL

Industrial Building	1
Garages	1
Additions - Alterations, Non Residential	11

OTHER

Nursery-Kindergarten School	1
Pump House	1
Sign	1
Building Moved	1
Buildings Demolished	5
Construction Trailers	3
Replacement Permit - Previous Year	1
	.

TOTAL PERMITS ISSUED	238
----------------------	-----

The always welcome cooperation of all Town Boards and Committees has been very much appreciated, with special thanks to Mr. Ronald Lord and Mrs. Mildred Sundwall.

Respectfully submitted,

Charles E. White, Building Inspector
Richard C. Wiley, Alternate Inspector

MOSQUITO CONTROL

To the Citizens within the Project's control:

Submitted herewith is the report of the South Shore Mosquito Control Project's activities for the year December 1, 1970 to November 30, 1971.

The Project is a year round cooperative effort embracing the City of Quincy and Towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Norwell, Scituate and Weymouth, covering a total area of 172 square miles, serving a population in excess of 230,000.

The Project is authorized and acts under the provisions of Massachusetts General Laws, Chapter 252, Section 59, mosquito control provisions, and Chapter 112, Acts of 1931, pertaining to maintenance of ditches put on the salt marshes under original act.

The Project continued to base its program on three recommended approaches to community mosquito control:

- A. Source Reduction, eliminating or reducing of water breeding sites of the mosquitoes
- B. Reduction at the Source, larvaciding at the water breeding sites whereby a very minimum amount of insecticide can effect the greatest amount of kill of mosquito larvae and pupae
- C. Reduction of Adults, by an atomized space and residual spray in an area usually between the nearest accessible site of suspected mosquito emergence and the area of a noted large mosquito buildup.

Giving priority of operation in the order above.

Source Reduction:

All mosquitoes need a water source to breed. However, water alone does not constitute a mosquito condition. The requisites of stagnation, brackishness, pollution and level fluctuation are also necessary to some extent. Eliminate one, two, or all these conditions, termed "source reduction or water management" and mosquitoes would also be eliminated to the same degree.

The project operates two crawler tractor backhoe trenchers especially adapted to work upon coastal salt marshes; this is where the greater amount of its mosquito problems would be.

Along these lines of source reduction this project accomplished the following in this past year:

- 18,400 cu. ft. new ditch excavated
- 433,125 cu. ft. ditches reclaimed
- 8,470 feet of brook and stream cleaning
- 78,500 sq. ft. of brushing to facilitate access to work and treat these breeding areas.

Reduction at the Source:

Mosquitoes, while in their period of water development (larvae and pupae) are in their most vulnerable state for they are in large concentrations and restricted to small areas, thus allowing very minute amounts of insecticide to render the greatest level of mosquito fatality, the same time this limits to a great extent the harmful effects on other aquatic and marsh life with such low dosages.

Several methods are employed by the project to mosquito larvacide; aircraft, both helicopter and fixed wing making low volume application to the large woodland swamps, power sprayer, tanks, with hose, in areas accessible from the roads, back pack sprayers to the smaller inaccessible areas, also power sprayers mounted on Jeep model vehicles are used to treat roadside and storm drain catchbasins.

All areas larvacided are either actually breeding mosquitoes at the time of application or are known to be sure breeding areas at future dates.

Accomplished by this project by reducing at the source in this past year, 4,680 acres were larvacided by helicopter, 5,600 acres were larvacided by fixed wing aircraft, 1,893 gallons of insecticide were used to larvacide 1,893 acres by various means of ground equipment, 2,161.2 gallons of insecticide were used to larvacide 32,275 basins. 1,160.5 hours were spent pre-and post-checking these many breeding sites.

Reduction of Adult Mosquitoes:

By the use of power mist blowers, atomized particles of insecticide were dispersed in noted areas of large mosquito infestations. Contact with this insecticidal spray by the mosquito while in flight or as it rests in an area treated with this insecticide considerably reduced its numbers.

In many areas inaccessible by vehicles, a power back pack mist blower was used. This accomplishes the same results as the larger machine. 6,107.5 gallons of insecticide were applied to approximately 6,107.5 acres by both mounted and back pack mist blowers.

The degree of success in both programs "Reduction of the Source" and "Reduction at the Source" can be measured by the steady reduction of the needs of adulticiding. This adulticide reduction is now being realized in this project.

Eastern Equine Encephalitis:

This past season was just one incident of Eastern Equine Encephalitis reported to this project. This was a nonconfirmed horse case. This case was not in this project. However, Eastern Equine Encephalitis, a mosquito borne virus disease is always a threat in this southeastern section of Massachusetts.

The insecticides used in this project's operation were:

1. Abate, the main mosquito larvacide, at .031 to .062 pound actual to the acre
2. Baytex (Fenthion) larvacide in storm catchbasins and other high organic or brackish waters, at .015 to .062 pounds actual to the acre
3. Malathion, main mosquito adulticide at 0.2 to 0.5 pounds actual to the acre

These materials are all registered for mosquito control use in the Commonwealth. Their recommendation rates and limits of application are abided by implicitly and not often are the maximum recommended limits even used.

The Project wishes to acknowledge all assistance received from the officials and departments of the communities it serves and give notice that it shall always remain ready with its personnel and equipt to continue to serve these wherever and whenever it is called upon.
